ROXIELETTIE TAYLOR

A Letter From Gary Pfau

Dear Sisters:

JUST think, six months have rolled by since we were together at convention in Cincinnati, and yet I recall it all as though it were yesterday. The beautiful pin and ring which you so generously bestowed upon me at the banquet, will ever be a constant reminder of our happy meeting, and will be cherished among my most precious possessions. About the hardest thing in convention for me was in overcoming my desire to have a real good cry on the shoulder of dear Mother Fox after she made the presentation speech. I do hope I said something sensible, for while I recall it as though it were yesterday, that part was very hazy even then.

Thirteen voyages have I sailed with the good ship Mu Phi Epsilon, and eight of the times have I sighted convention land, and in this farewell letter I feel inclined to ramble on, using pages to recount the tales of the "good old days." Some might be about "breakers ahead" and "mutinies" as well as "pirates" and such adventures, while more would recount the "profitable trades" the friendly "beacon lights" and the "wonderful possibilities of virgin fields to be cultivated." It is far better though to look ahead rather than backward, so I look to you, one and all, to help build up the future. May each succeeding year show good progress made as in the past. Remember that *you* are really the sorority, for Mu Phi surely is the reflection of all our aims and ideals, some more strongly reflected than others, but a reflection of which we should always be proud. So put your shoulder to the "wheel"; put it there more strongly if you think you can help "steer the course that is straighter and truer."

"Pipe all hands on deck," for one more hearty hand clasp all around. "Good luck and God speed you." Lower away a boat—I go to join the "Ancient Mariners."

President's Message

My Dear Sisters in Mu Phi Epsilon:

I WANT to thank you for the honor you have conferred upon me in electing me president of our sorority. I assure you I appreciate the honor and the responsibility of the position and it is my earnest desire to be of service in carrying out the aims and ideals of our beloved Mu Phi Epsilon.

It has been only a few years since Mu Phi talked of being in her infancy and of the necessity of making a good beginning. We have outgrown our infancy for our membership is now 1,378 of our chapters are all over these United States, so that we have divided into provinces determined by geographical location. We have also found so much to do in the way of record keeping that we have had to systematize until now the routine work is all tabulated in neat card index files. Yes, we have spread out considerably!

But we have grown up too. Our aim has ever been high, and we lessened the distance between us and our stars when we became honorary. We have aspired and in part we have achieved. We are higher up than we once were. Now let us mount still higher, never despising the rung by which we climbed but always thinking of it most kindly as the means by which we have reached our present status. Our present condition is still another rung to lead us to a point nearer to our ideal.

However, as we grow out broader and grow up higher we need lose none of the sweet intimacy of sisterhood nor any of the close bonds which unite chapter to chapter. Mu Phi bonds are forged strong enough to withstand every strain. This though, is true; no more than we would expect the thermometer and barometer to register the same in all chapters, should we expect social and musical conditions to be the same. This need prove no detriment to Mu Phi but rather an advantage. Mu Phi Epsilon with aims and ideals universally good!

Then in making national rulings, each Mu Phi must consider not only the bearing on herself, her chapter, but on all members, all chapters. National rulings must, to be good, work for the welfare of the greatest number, for Mu Phi Epsilon the whole. For this, the greatest good, we should be willing to sacrifice, if necessary, personal and even chapter interests. And here we

have one of those paradoxes we often meet, for just as we may sacrifice self and chapter in this great cause do we strengthen the very thing to which we hold as members, as chapters, and so our sacrifice becomes our edification.

And now my plea to you all is that we may work for the greatest good of this Mu Phi Epsilon which spreads out so far and wide and reaches up so high. Let us keep the source pure and sweet and never cease to strive for a deepening of sisterly love and greater musical achievement. Let us ever be mindful of our vows. As a chain which is to support a mighty strain must have each link forged true, so let us each, as one link, do our part. As in the orchestra in performance of a wonderful symphony every instrument must be in tune, so must each of us be sure we bring no false note into the music of this symphony of sisterhood of which Mu Phi Epsilon is the author.

ROXIELETTIE TAYLOR.

ALPHA CHAPTER

The Thirteenth Annual Convention

THE latter part of April, 1916, was a gala time for the delegates of Mu Phi Epsilon. We met Tuesday evening, April 25, for a reception and Musical at the Metropolitan College of Music, Cincinnati, Ohio. We passed in review before a receiving line and after we had all chattered like magpies—renewing old friendships and making new ones, Professor Sterling gave us an "Address of Welcome." After this we arranged ourselves around the room and listened to a delightful musical program rendered by our Alpha Sisters and assisted by some of the faculty of the College. You will find the program printed elsewhere in the magazine so I will not repeat it here. It was very enjoyable and we greatly appreciated our Alpha Sisters' thoughtfulness in arranging so delightful an evening. It is needless to state in cold print that we had refreshments, to mention such a thing is not considered good form. But the repast was delicious and was served so quickly and simply by Alpha girls. As this is the story of the Convention I must hurry on. Wednesday morning bright and early we met in one of the smaller private ballrooms at the Hotel Sinton for registration of visitors and delegates. Convention formally opened at 10 o'clock. The Supreme Officers' reports were read and approved. Supreme President, Mary Pfau, gave us a very interesting account of her extension trip in the far West. At 1 p. m. we were whisked out in the electric cars—cables—for luncheon at the Altamount Hotel at Ft. Thomas, Ky. I couldn't begin to tell you the number of persons present, nor the amount of food we consumed. There was a great deal of talking (the nine committees having been appointed) and discussion. After luncheon we met in small committee groups and later met together for what disposition of business was necessary. In the evening we all went to the concert given in the large ballroom of the Hotel Sinton. The stage was very attractively decorated with green palms. The program was well rendered and every number evoked loud applause. The next morning was spent in the assembly room, transacting business. At 1 o'clock we were guided in relays to the Hotel Metropole for luncheon. It was exceedingly pretty and quaint. There was more talking; we resembled, for all the world, a hive of bees. In the afternoon

M U P H I E P S I L O N T R I A N G L E

we attended strictly to business and passed some of those rulings you no doubt have been frowning over for some time. In the evening we attended the ball given at the Sinton—great excitement. Let me add here I never saw so many men. Did we have a good time? No one can deny it. We kept it going way into the wee small hours. The Chronicler, not used to such merriment and dissipation, retired at 12 o'clock and it was in full swing then. A delicious boufé supper was served during the evening.

Friday was a very busy day; how we worked!! We had luncheon at the Hotel Sinton and continued our business meeting until half after six. Our glorious banquet and installation of officers came at half after eight. The dinner progressed admirably. The toasts were interesting. It has been requested that we print our toasts in this issue so I am complying with the majority vote, mine is the minority.

How can I make you who read this realize what Convention does for one; what it means; and how one is uplifted by it. I can only give you, very inadequately; in my poor language my impressions. The good-will; the perfect harmony; the helping hands; and the smoothness of the "running" machinery of the Convention. All this goes to make a perfect three days and a half. It was very hard to leave all those worthy sisters, just after we had become so well acquainted, but we have one of the finest things to remember. The memory of those 1916 Convention days will ever be a refreshing one. Thank you, Alpha Sisters, Mu Phi Epsilon may well be proud of her first Child!!

ANNA M. BAKER, Toastmistress

Our United States—Mu Phi Epsilon, ANNA M. BAKER

Dear Sisters:

IT is with great pleasure that I stand before you this evening. With some fear and apprehension I beg of you to listen kindly to my feeble attempts as toastmistress. I feel very much like the old darky did when he was brought to the gallows. The sheriff said, "Henry, have you anthing to say?" "Yes, sah I've got a few words to remark, I merely wish to state that this suttinly is going to be a lesson to me."

On this glorious occasion of our thirteenth Annual Convention, we have been gathered together as one large body of representatives and we have discussed and settled matters of grave importance, and now after this season of refreshing fellowship—Sistership—we go back to our respective chapters permeated and imbued with fresh enthusiasm. We carry away with us forever the memory of these glorious golden days. What more fitting than that we compare our beloved Sisterhood with our great and magnificent Country. You have come, one and all, not only as representative citizens from your respective communities, but you have come as representatives from your many chapters (the states). Sisters, let us think of Mu Phi Epsilon as "Our United States." Having made my maiden speech and bow, I now turn to sister Tillie Hahn who will handle the "Government" though we sincerely hope it will be with more tenderness of heart than that displayed by some cartoonists, critics, and would-be politicians.

The Government—

Our Grand Chapter, TILLIE HAHN, Alpha Chapter.

Madame Toastmistress and Sisters: I am afraid a mistake has been made in giving me a toast as I am like the man who said he belonged to the Episcopal Church. When asked if he had been baptised or confirmed he said he went once and he heard them say that they left undone the things that they should have done and did the things that they should not have done. He knew he was one of these. I know I will say things I ought not to say and leave unsaid things that ought to be

said. This being my first Convention I take the liberty to speak of the things which have made the most vivid impression upon me during the past few days. So first of all I'll tell the things I shouldn't tell. I have been associating closely with the Supreme President, not only the past few days, but during the entire year and during that time she has had as little time to herself as the lawyer who left a note on his door, "Gone to get married! Back in fifteen minutes." The vice-president said, in confidence, she felt like reporting to the Grand Chapter when they asked regarding local chapters' promptness in sending material to her—as the storekeeper reported to the father when he inquired about his son's progress, "Dear Sir: Your son sleeps in the store daytimes, I don't know where he spends his nights."

And the secretary says that the filing system reminds her of the story of the drummer, selling filing systems, who called on a former customer. "Good morning," says he, "how's the filing system working?" "Great," answered the merchant "Good," says the salesman, "and how's business?" "Business," echoed the merchant, "Oh we've stopped business to attend to the filing system."

And the troubles of the Treasurer—she reported to me that the treasurers of some of the local chapters were like the woman who said to her husband the greatest excitement, "Oh, dear, did you know that our bank failed? I made out a check for \$40 and they sent it back marked 'NO FUNDS.'"

And the poor Historian! writing to this, that, and the other person for QUARTERLY material is as confused as the country woman who went into the city store and asked to be shown a pair of shoe strings, some hair pins, a half dozen handkerchiefs and a belt buckle. "Madame," said the floor walker, "take the elevator to the eleventh floor for the shoe strings, hairpin department on the second. You will find the handkerchiefs in the extreme rear of the seventh and the belt buckles are in the basement."

Now for the things I should tell! Watching the Grand Chapter working day by day, has driven in upon my scientific mind the following receipt; Take an indea, mix well with common sense and a drop of idealism, put into the melting pot of the Grand Chapter over the fire of enthusiasm—beat well with skillful argument and the result will be a well-balanced

M U P H I E P S I L O N T R I A N G L E

Mu Phi Law, such as has turned out at this Convention. But *can* the Grand Chapter carry out the laws? No! they make the law and outline the work. *Can* the Supreme Council carry out the laws? No! They simply fill in the outlines. Who then must carry out the laws? This brings to my mind the story of the office boy who said, "when the governor wants anything done he tells the cashier, who tells the head bookkeeper, who tells the assistant B. K. who tells the chief clerk, who tells me and I ain't got nobody to tell so I got to do it." And so we, the chapters, must do our utmost to carry out these Convention rulings and do our part, be prompt and accurate to save our new Supreme Officers time, strength, and trouble. Real efficiency in Mu Phi Epsilon must be coöperative efficiency, each one doing their part. So here's to the real Government: the bosses, and each and every office boy. May we work together in love, friendship, and harmony toward our great ideal!

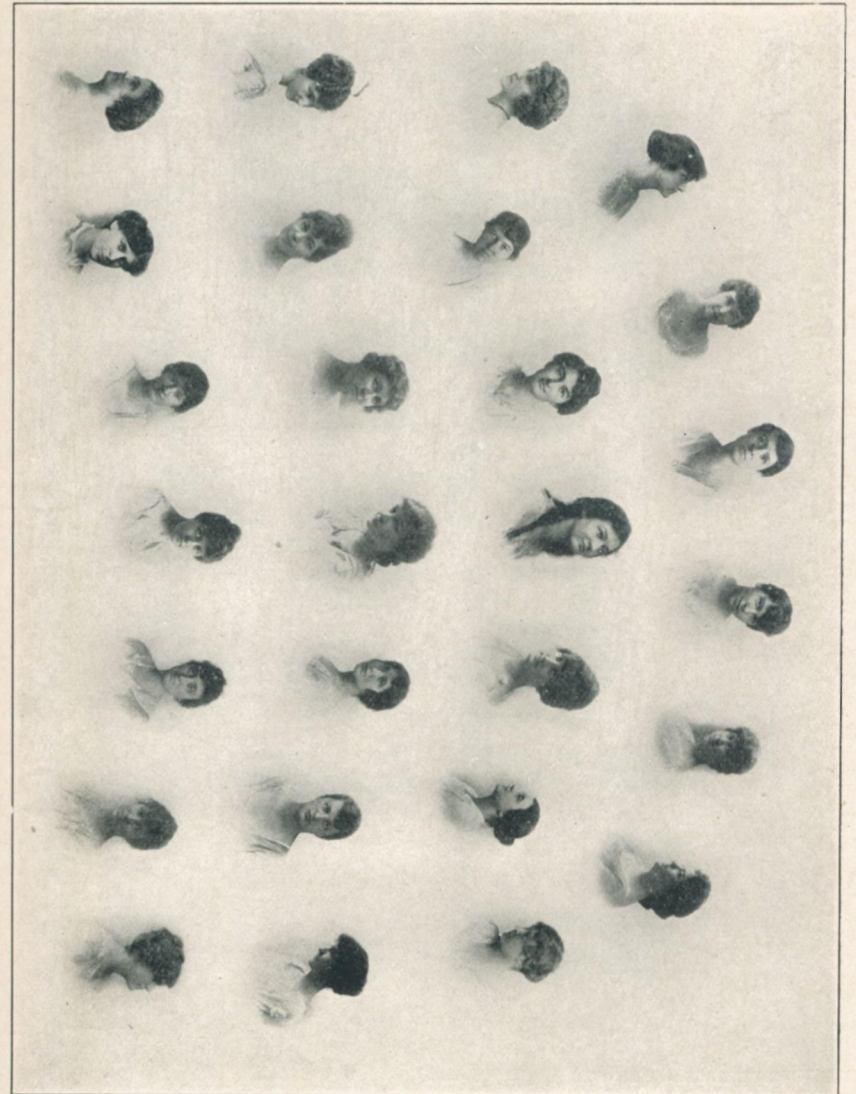

Our Chapters—The States—ARDALA MOORE, Rho.

Toastmistress. Of course, we know that the chapters are a part of our harmonious whole, that a friendly rivalry exists is evidenced in a keen competition. Would it were ever that way with our states. That reminds me of a story I heard not long ago. Two gentlemen were traveling on the Twentieth Century Limited train out of New York. One of them had recently been visiting in Virginia. His companion asked him by way of seeking information if he knew what kind of a vine the Virginia creeper was. The Virginia visitor promptly replied "It isn't a vine, it's a railroad!"

Edith R. Shirey of Philadelphia, a member of Rho, responded to the toast in the absence of Rho's delegate, Ardala Moore. Her toast was as follows:

Madame Toastmistress, Sister President and all my Mu Phi Sisters: I wonder what Sister Anna means when she alludes to a Virginia Creeper? Have we one? No, I think not. We all know best the glories and honors of our own state, but it takes the glories of all the states to make the great unit of our United States. So must each Chapter do her various duties to make our great, glorious, honored, and beloved Mu Phi Epsilon one of Music, Friendship and Harmony.

Since our delegate is ill and cannot be with us I will read to you her toast.

BETA CHAPTER

M U P H I E P S I L O N T R I A N G L E

There is an Eden of the West
Where all the world in peace is blest
Its hills are green, its mountains fair
And many brooks run here and there.

The violet dots these hills so green
And pearls of dew on the purple glean
The craggy crest in Triangles rise
And ever strive to reach the skies.

The shepherd Pan plays o'er these hills
And maidens fair dance to his trills
And Orpheus with his lute so sweet
Has all the wild beasts at his feet.

The music in the land still live
In dance and song their story give
But echo is the God sublime
Who passes down these arts through time.

And there's a union of these sages
That will last throughout the ages
For each chapter to the Mu Phi bound
In Music, Friendship, and Harmony is found.

ARDALA MOORE, *Rho*.

Toastmistress—Next we are introduced to Our Members, the People. We have been dealing with the big things, the Government and the States; now we will hear from sister Alma Bechtel on a far more important and pleasing subject, namely, the people, our members, ourselves! Let us proceed.

The People—Our Members, ALMA BECHTEL, Omicron.
Toastmistress and sister members. It affords me much pleasure to greet you and to represent our members in this city of brotherly love.

We have assembled as a body of music lovers. Our Sorority demands members of high moral standing; members who manifest a desire for higher artistic development in the realm of music. Just as our Nation depends upon the quality and intelligence of its people, so our Sorority depends on its individual members.

There is a feeling we have for our native land. It is called Patriotism. We have a similar feeling for our Sorority, but

we do not call it Patriotism, we call it loyalty. True loyalty means that we are willing, at all times, to give our best efforts toward the object of this feeling. As our ancestors labored together for the preservation of the Union, so let us as faithful members ever strive to live up to our high ideals. Let us follow in the footsteps of our Honoraries, who have won concert fame, and although we cannot all win National honor, we can be great in our own small way. Let us bind ourselves together in a treaty of loyalty and love to our members. Let us be faithful and true to our Alma Mater. And as years come and go away, we assemble as members of this grand Sorority who have for their aim the highest development of the Arts—Music.

The Ideals—MRS. J. O. FOX, Iota Alpha.

Madame President and Mu Phi Sisters: Having your Nationality, Government, States, and People well established, you now ask me to turn your thoughts to your *Ideals*.

To my mind you have reversed the order—for without Ideals there would never have been even an excuse for establishing a Sorority.

When the good ship "Mu Phi Epsilon" came to port in 1903, at Cincinnati—she brought few passengers, and they were aboard only to protect her cargo—which consisted of Ideals and Sisterhood. They were a few musical Idealists, who felt the need of a combined opportunity to enlarge and create the beautiful in Art—and their ideals have blossomed in 16 States with an alumnae scattered at large over the world.

What are Ideals? They are the perfect type of a mental picture, we all carry in our imagination, which we hope to see in physical embodiment or artistic development.

In a world of practical events, riding rough-shod over our dreams, and demolishing our air-castles, it becomes necessary to have a corner in our heart and brain, where we can store away our ideals and secretly give ourselves up to the worship of the beautiful, which when nourished, will blossom into our life to glorify and uplift it.

As perfection is unattainable we may not fully realize our dreams, but the struggle to make them come true builds for strong character, broadens our natures and makes us more lovable personally.

In music we find a soil fertilized and well prepared for the growth of Ideals, as it is of itself an Ideal Art. Thus Mu Phi can claim a more solid foundation than her sister Sororities. Friendship also is ideal. It is not what our friends are, but what we imagine them to be, that forms the tie. Happy the Friend who survives the test of being idealized. Most of us lose ground in the first stages. Even lovers cannot stand the strain of *everyday* companionship, which hourly weakens romance and Idolatry. But friends, not being subjected to this test of close intimacy, have a better chance to survive and still stand on their pedestal created by imagination. We *need* Love to perfect our natures, even if it proves imperfect—but we *must* have friends to broaden our point of view, and keep us from becoming self-centered.

In our choice of Friends, those who have the same interests, dreams, and ambitions, make the strongest demand upon our affections, for there is always a thread running from our admiration to our hearts in the weave of Friendship. If the object of our admiration proves true in the living essential of Friendship, the bond continues to live and grow stronger through life.

These living essentials are a warm heart and a thoughtful unselfish nature, *with* a desire to recognize only the good, forget a hurt, and remember a kindness. These traits of Character combined with a sense of Justice, which never asks more than it is willing to give, qualifies for Ideal Friendship. Mu Phis are all working for the same cause, and have the same interest in Artistic musical development.

In Music the imagination has full play through composition and its idealization through genius and virtuosity. Our individual Ideals are thus developed through our Sisters, and our personal pride in this accomplishment makes us an Ideal Sisterhood.

So are we faithful to our Ideals while loyal to each other, and as Harmony is our motto, Mu Phi possesses as ideal a standard as it is possible for imagination to create. To be true to these ideals is to fill our lives with the best gifts from God's storehouse.

To quote Emerson, "We are never quite alone while music and song are still our own."

With all life's burdens and sorrows (and the best of us must have our share), we always have that within which will lighten burdens, and ease heart-aches. Thus are we blessed by our Heavenly Father.

Lastly, in our associations as a Sisterhood we possess our oath of loyalty.

"Aidng where aid is necessary, and never saying anything against a Sister."

For Friendship and Harmony, this is the most important oath in "Mu Phi Epsilon." It is the test of our Sisterhood in its family relationship. By it, we live or pass into oblivion. Criticism, jealousy, misjudgment have no place where true Friendship and Harmony thrive. So Sisters dear—

My thought of you will always be—you're true—
 I judge *you* by that, and ask the same of *you*
 This standard makes for Mu Phi loyalty
 A Sisterhood Ideal—for our Sorority.

Toastmistress—Let us all join now in singing the Mu Phi Song, written by Hazel Radabaugle, Nu Chapter. The banquet closed with the vibrant tones of the above song. Good nights were said and so ended our glorious Nineteen Sixteen Convention!!

OUR NEW PRESIDENT

ABOUT four years ago Theta initiated Roxielettie Taylor as an active member. New members are always a source of interest and speculation, and in this case it was only a very short time before this new member proved a great help, by using her good judgment, her untiring energy, and her ready resourcefulness for the good of the chapter.

It is strange, but one who fills an office capably seldom keeps the same position a great length of time. I say it is strange, but it is very easy to see the reason. There is always a more responsible position to be filled. So it was the case with our Sister Roxielettie. As soon as she had the duties of one office in the chapter regulated, she was given another; and when she was made a supreme officer this same rule applied.

The first chapter office she filled was that of historian. The spring of that year she represented our chapter as business delegate at the annual convention held at Chicago. After the convention she was elected president of our chapter. The chapter prospered under Sister Roxielettie as president, and we were feeling settled for the next year when word was received from the convention in session at Detroit that Roxielettie had been elected Supreme Secretary of Mu Phi.

In our delight at having a supreme officer selected from our chapter, we overlooked the fact that in gaining a supreme officer we had lost our chapter president.

A year passes quickly and time for the convention at Cincinnati was upon us while we were still elated over the result of the previous convention. I suspect we should have been prepared for a change by previous experience, but we were not. I believe that most of us feel that a supreme officer should remain in office at least two terms, and as we had elected a new Supreme President the previous year, possibly this accounted for our great surprise. Roxielettie was elected Supreme President at this convention, and I am sure that under her guidance, with her loyalty to our high Ideals and fine executive judgment, Mu Phi Epsilon will continue to prosper.

Our Supreme President was born in St. Louis, Missouri, and received her general education in the public schools of this city. She comes from a music loving home and when a

M U P H I E P S I L O N T R I A N G L E

small child picked out her first tunes on a violin long in the family's possession. She began the study of the piano at the age of twelve with Mr. Louis Conrath and continued later with Mr. E. R. Kroeger. She studied theory and history of music in connection with her piano work. In addition she has had two years of pipe-organ with Mr. Rodney Saylor, a year's work in voice, and a course in public school music with Miss Soper. The results of these years of broad and intelligent study are demonstrated in her recognized success as a teacher of piano.

PROVINCE PRESIDENTS

One of the results of committee work at convention is the division of the territory of our chapters into provinces with a province president for each of the three divisions, east, central, and west. The idea is to thus enable us to keep in closer touch with one another and to lessen the routine work of council.

The province presidents are elected by council and are under the direct supervision of the supreme vice-president. Each province president marks the examination papers of initiates within her province and stands ready to advise the chapters on any perplexing questions which may arise during the year. In this way the supreme vice-president is relieved of the task of correcting the whole number of examination papers, which, being divided among three, equalizes the work and gives the supreme vice-president time for other sorority activities; while by having chapter inquiries sent to the respective province presidents, the correspondence of council members is somewhat lessened.

The fact that the province presidents report regularly to the supreme vice-president enables council to know just what conditions are throughout the chapters and thus be in a position to cooperate with them to better advantage of all concerned.

REINSTALLATION OF MU CHAPTER

Mu Chapter at the Brenau College-Conservatory, Gainesville, Ga., was reinstalled by our Supreme Historian, Anna M. Baker, May 26, 1916. Brenau College-Conservatory is one of the largest and finest equipped schools of music and oratory in the South and we look for great things to come from our enthusiastic Mu Sisters.

CONVENTION 1917

The Convention of 1917 is to be held at Xi Chapter, Lawrence, Kansas. We are glad our western chapters are having a "show" for it was whispered that the Easterners were getting altogether too greedy. Thanks to the sisterly feeling which exists, Xi Chapter won out. Congratulations and best wishes for a prosperous year!

INSTALLATION OF PSI CHAPTER

On May 30, 1916, Psi Chapter was installed at Bucknell University Lewisburg, Pa., by our Supreme President Roxielettie Taylor. Our infant chapter seems very much alive; we of the older generation are somewhat amazed at the prodigious strides these youngsters take. We find they have no use for perambulators.

ON EXTENSION

The recent tour of inspection which our former Supreme President, Mary Towsley Pfau, took last spring with the idea of Extension in view has done much to lighten our ways through the intricate western paths. The cordiality with which she was received, and the consideration given her as an advocate of Mu Phi Epsilon only goes to prove that Mu Phi is a growing factor in the musical schools and in the universities. It is to the West we must look for extension and achievement. If you will read Sister Mary's article "My Extension Work in the West" in the September Supplement, you will be vastly enlightened.

ORIGINAL COMPOSITION CONTEST

The 1916 Original Composition Contest was won by Margaret Hicks of Beta Chapter. The Composition was entitled: "A Lullaby" for voice, piano accompaniment, and violin obligato. The prize offered was a silver cup, to be held by the Chapters for one year. If said Chapter wins the cup for three years in succession, it becomes the property of that Chapter. Beta Chapter has captured the prize for two years.

Rules for the Contest for 1917.

There will be no restriction as to style of composition. The contest closes February 15, 1917, and all contestants must send work to Clara van Nostitz, 215 Rockingham St., Toledo, Ohio, before that date.

M U P H I E P S I L O N T R I A N G L E

The following rules must be observed—for failure to comply with one rule, the composition will be thrown out:

1. Contestant must be a Mu Phi Epsilon, active member.
2. Work must be original.
3. Work must not be rolled nor folded—but must be sent flat.
4. Contestant's name, initials or any other mark of identification must not be on the manuscript.
5. A sealed envelope, containing the contestant's name and the name of the Composition must accompany each composition.
6. A contestant may enter only one composition.

Eben D. Jordan, President of the Board of Trustees of the New England Conservatory of Music, Boston, Mass., died at his summer home in August. Among other bequests he left one hundred thousand dollars to the Conservatory.

Dear Greek:

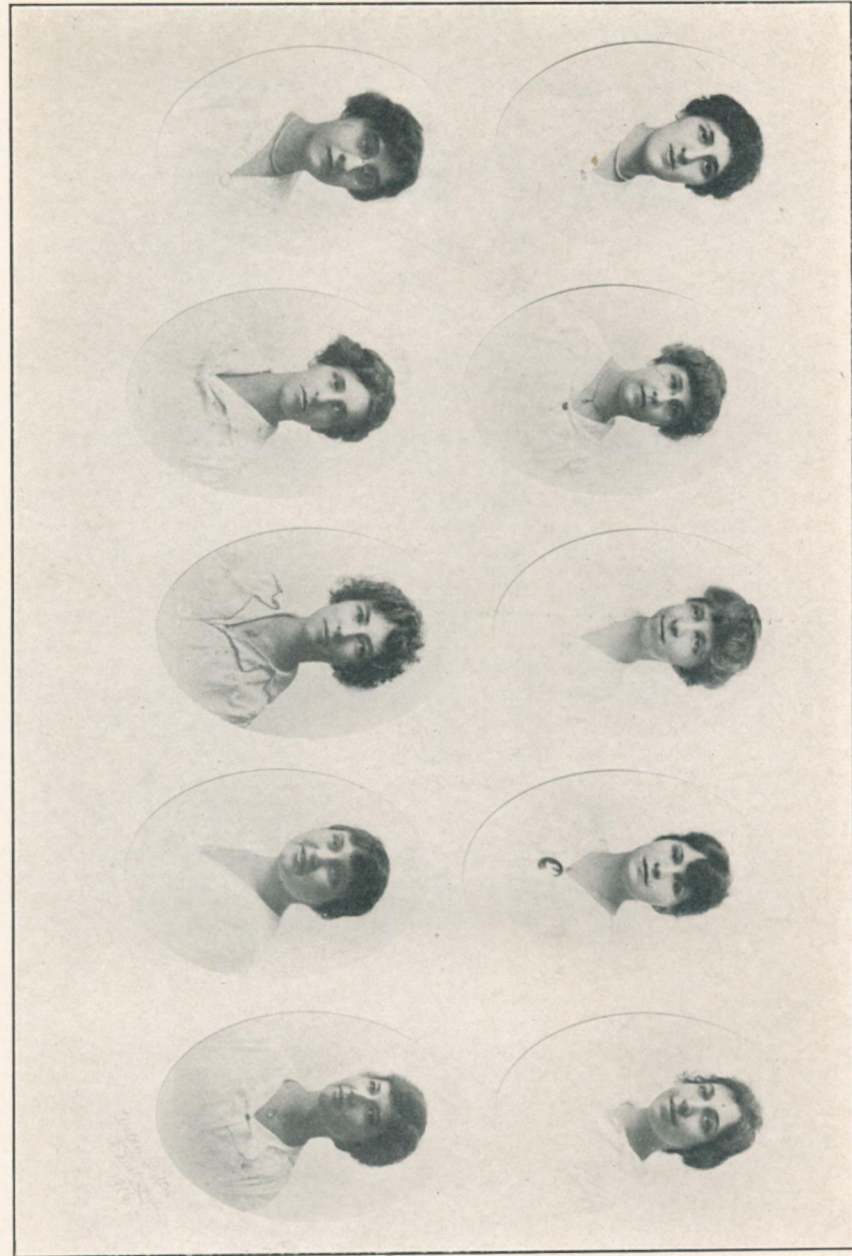

Last college year the College Fraternity Reference Bureau offered a prize of \$25 for the best short history of any college fraternity or sorority. It required that these histories should be confined to two hundred words. When the committee met this summer, it was found not a single entry had been made.

M U P H I E P S I L O N T R I A N G L E

Enquiry developed that many had been willing to enter the contest but they felt that the limit of two hundred words was too confining. It was therefore decided to remove this limit and to simply ask that each contestant write a short history of his or her fraternity and that the prize be awarded to the one which covers the main facts most carefully in a brief sketch. The purpose of this contest is to enable the bureau to have on file an authentic record of each organization. Aside from the value of this to the Greek-letter Societies, one would think that the national officers of all fraternities and sororities would encourage their members to enter the contest, from the good which would come to the members themselves as well as to the society. This is a move to do something for the whole Greek world. Will you help?

Very fraternally,
 WILLIAM C. LEVERE,

A Letter From a Pi Alumna

My Dear Sisters:

YOU have asked for alumnae news, so I shall try to tell you a little about Pi alumnae. At the Convention held in Chicago the toasts at the banquet were in the form of a story. We traced the life of a Mu Phi girl through Inspiration—Plot—Characters—Influence—Popularity—and then, last, but not least, the entrance of the MAN. Pi Chapter is comparatively young yet, and the majority of our girls have been busy reaping material rewards for their work. Now we are reaching that part of our story where the man enters. So I will now introduce you to some of our sisters by their new names:

Mabel Larsen and Edwin Thorstensen were married on June 28. They are living now in Milwaukee.

Ethel Clarke was married to George Nixon on August 28 and is now living in Wauwatosa, Wis.

Bertha Lofberg was married to Dr. George Coons on August 15 and is now living in Ironwood, Michigan. Marie Conrad was one of the bridesmaids at the wedding.

Irene Larson was married to Hugh Ducker of Green Bay, Wis., this summer.

Hazel Kurz was married to Dr. Smart of New Lisbon, Wis.

There are rumors of many engagements besides, so you see Dan Cupid has been very busy with Pi girls (leap year has nothing to do with it).

Milwaukee is gradually attracting our girls, it seems. A few are attending school here. Hilda Eiler is director of a Ladies' Orchestra. We have our married sisters, and then Flo Perry and I teach Piano. But as many times as we have counted them over on our fingers, we cannot find quite enough to form an Alumnae Club. Nothing daunted we are going to have meetings just the same, and just hope more will come to the "cream city."

Teachers' Convention the first of November always brings a great many of our girls here, who are Supervisors of Music. This year we are going to try to start the custom of having a reunion and banquet at that time.

I sincerely hope that you will have a very successful and happy year.

Yours in the bond,

LUCIE M. BENEFIEL,
Pi Alumnae.

LAMBDA CHAPTER

Installation of Psi

THIS issue of THE TRIANGLE will introduce us to our new Psi sisters, thirteen of them. They came to us as sisters on Decoration Day. I wish you all could have met them as I did in the picturesque Susquehanna valley, but some of us will meet some of them at Lawrence next year.

When I went for the installation I was met before I quite reached Lewisburg by Sister Nelle Wolfe Aumiller, whom we of convention have no difficulty in remembering. We were now on a trolley line and the girls joined us en route. This was on Monday evening, May 30. We went beyond Lewisburg to Miffenburg which proved to be a clean, quiet little place. Here we went at once to a hotel and banquetted. I sat at the head of the table with Mrs. Stolz, wife of the head of the music department on my right and Mrs. Updergraf of Williamsport on my left with all our little girls down the line. The girls were all so cordial and pleasant and the dinner was so delicious that I forgot most of the time to be nervous over my first installation and the newness of my office.

After dinner we all went into the parlor where some of the girls played and sang and I showed them the MU PHI QUARTERLY and talked to them of sorority work.

It was half-past ten when we started back to Lewisburg. Here I was given the Bucknell guest suite which consists of a most inviting sitting-room, bedroom, and large bath. In the sitting-room I was greeted by a beautiful bouquet of roses presented to me by Delta Delta Delta.

Rising bell sounds at seven at Bucknell and at a quarter past Nelle Aumiller called for me and we went into breakfast where we were seated at the senior's table, with me to the right of Miss Carey, dean of the department for women. Miss Carey was most thoughtful of my comfort and most kind in every way to me during my stay, and I had quite a satisfying talk with her in regard to our chapter in the school.

Installation was to be at 10 A. M. so until that time Nelle Aumiller and Aileen Larson were busy showing me the sights of Bucknell. The campus is beautiful, a natural amphitheatre, and the oaks are wonderful. We went through the different departments and found equipment that made one want to study

M U P H I E P S I L O N T R I A N G L E

every thing taught. In the library, which is exceedingly popular with certain young men and women, we met Dr. Martin who talked to us about the historical points of interest in the locality. I found him to be a most interesting narrator.

At the appointed time we gathered for installation. The room arrangement was ideal for the big parlor opened into another room which was hung with heavy drapery. And so we observed our beautiful initiation ceremony and the girls signed the charter. Then we all sang *The Triangle*.

Mrs. Updergraf, now Sister Anna, invited Sister Nelle and myself to dinner at one of the hotels and here we ate with all the G. A. R.s in uniform of the parade.

In the afternoon Psi held the first business meeting in one of the very attractive studios. Here we had election and installation of officers and I read and explained the constitution and rulings. The girls asked questions and all seemed wide awake to the duties they had just assumed. Following this they gave their first Mu Phi program which was as follows:

Pas Des Amphores	<i>Chaminade</i>
MAUDE WITHERSPOON	
One Fine Day (Madam Butterfly)	<i>Puccini</i>
FLORENCE TUTTLE	
Soaring	<i>Schumann</i>
RUTH HAINES	
Swiss Song	<i>Eckert</i>
MARGARET EVANS	
Madre, Pictoso	<i>Verdi</i>
MARIE VOLLMAR	
Marche Grotesque	<i>Sinding</i>
CARRIE GRUGAN	
To You	<i>Speaks</i>
Code La Sera	<i>Mililetti</i>
NELLE AUMILLER	

After our meeting I called on the Delta Delta Delta girls in their pretty suite, and visited until dinner time. After this it was hurry and dress for the big reception and the receiving line had to be on time. It was certainly a lovely reception and everyone was so nice to everybody else that happiness just radiated from the place. Our girls had the refreshments in our

M U P H I E P S I L O N T R I A N G L E

colors and it was quite a Mu Phi affair. Madam Sylvia and Miss Brown each sang and I enjoyed hearing each so much. They were both interested in Mu Phi and what it will mean to the girls.

The next morning when I left at 9 A. M. everyone was rushing to classes for the holiday was over. As I told the girls goodbye, I found that I had a place in my heart for each one, and so I commend them to all other Mu Phis for they are all dear girls and are serving the cause of music.

ROXIELETTIE TAYLOR.

ALPHA

OUR first opportunity to talk "IT" all over ("IT" being Convention, of course) was at a little reunion Mary Pfau gave for the active girls and the Alpha Alpha Club. We all brought our "knitting" just for a change and talked, talked, talked to our hearts' content.

Then came our annual party at Frances Payne's, which as usual was a very popular party. But the most popular things of that popular party were the mint punch and Nell Gallegher's numbers on the musical program. Nell is a splendid violiniste but as a solo dancer and singer she is more than that.

In order to make the picnic at Ryland last as long as possible, we caught a train out of Cincinnati sometime before daylight and that picnic was complete from the well-laden tables to canoes, bathing, and even a fortune teller, to say nothing of the beautiful (?) pictures which were taken of the girls.

A few weeks later Alpha Alpha Club entertained Alpha at Fannie Winterbottom's summer home on the Miami. Alpha Alpha certainly did herself proud and we all had a dandy good time.

On October 9 we entertained ten "rushees" at a luncheon and card party at the Sinton Hotel and we are planning our annual initiation and banquet for our celebration of Founders' Day.

The series of subscription musicales which we began last year as matinée musicales will be continued this year at the Sinton Hotel as evening musicales and we are busy issuing season tickets and arranging programs. Anna von Unruh, the chairman of the program committee, has announced the first three of this series as follows: Around the World in Song, Holiday Music, and a Program of Local Composers. Aside from this series we have engagements for a number of concerts this fall to be given in schools and churches.

BETA

BETA Chapter of Mu Phi Epsilon extends to you all best wishes that this school year will be a happy and successful one for our beloved Sisterhood.

The new officers of Beta Chapter are as follows:

President	MABEL HACKETT
Vice-president	SARAH E. OAKES
Corresponding Secretary	RESEDA LATTIMORE
Recording Secretary	ELEANOR MUZZY
Historian	KATHLEEN COOK
Treasurer	PRISCILLA STERLING

The election of officers took place May 23, 1916, and the elected officers were installed and straightway began their respective duties.

On June 2 we gave a picnic for rushees at Norembega Park. Fifteen of our girls were present with four guests. After a delightful picnic lunch we enjoyed all kinds of games and took a number of kodak pictures.

On June 6 Miss Mabel Daniels was formally initiated as an honorary member of Beta Chapter. The service was held in the chapter-room and afterward an informal musical program was given. "A Lullaby" by Margaret Hicks, which won

M U P H I E P S I L O N T R I A N G L E

the loving cup for Beta in the original composition contest, was sung by Kathleen Cook. Miss Hicks accompanied and Miss Margaret Elliott played the violin obligato. Miss Daniels was very enthusiastic over our work and said we might count on her to be a loyal and enthusiastic Mu Phi.

On June 5, Gertrude Squyer, Pianist, appeared with the Conservatory Orchestra.

Several Mu Phis played in the Ensemble Concert given in Recital Hall on a Monday evening last spring. All played well and were a great credit to our Sorority. On the program was Ora Larthard, Cellist, Margaret Hicks, Pianist, Alice Allen, and Irma Jordan, Cellists.

On June 12, we pledged Elsbeth Jones. After the ceremony we had a social hour and a feast. This was our last meeting for the year.

At the beginning of the new year we had our first meeting on September 26. About fifteen active members were present. Although we are comparatively small in numbers we are rich in enthusiasm and are planning an interesting and beneficial year's work.

Our annual reception to the new girls was given in Recital Hall Monday evening, October 2. There were about seventy-five girls present. We had a short musical program consisting of a cello solo by Irma Jordan, vocal solos by Kathleen Cook and a piano solo by Betty Schuleen. Then after games and dancing, light refreshments of "brick" ice cream and cake were served.

Our other rush parties thus far this year have been informal evenings with Sarah Oakes, fudge parties in different girls' rooms, a "movie" party with refreshments afterwards at the Café Minerva, and tea at the Coply Plaza Hotel.

From a Roanoke, Va., paper we receive the following news of one of our chapter members: "Roanoke's new Auditorium will make its début on Tuesday evening, September 12, when John Powell, Virginia's eminent Pianist and Miss Bula Ray Shull, the city's gifted contralto, will give the first concert of the local season."

A clipping from the Minneapolis *Journal* says, "Margaret Hicks of the Minneapolis School of Music, who spent the past year at New England Conservatory in Boston under De Voto and Chadwick has returned to resume her classes in the School."

M U P H I E P S I L O N T R I A N G L E

We are very sorry to lose, for the year, so valuable a Mu Phi.

We are so glad that Alice Allen will be with us again; also another dear sister who will be active with us again is Alice White.

Gertrude Squyer is teaching piano in Minneapolis this winter and we wish her every success.

On June 25, we received cards announcing the marriage of Margaret Elliott to Mr. Sydney Aylmer Clark.

On Saturday evening, April 29, Miss Lydia White was married to Mr. Marsh Boden Boothby at Salt Lake City, Utah.

KATHLEEN COOK, *Historian*.

GAMMA

Dear Sisters in Mu Phi Epsilon:

AFTER a seemingly short vacation, October finds the Mu Phi of Gamma Chapter back once again with determination to strive harder than ever before for the goals we hope to reach.

We have an exceptional housemother this year, Mrs. Luther, who is studying with Mr. Harrison, head of the vocal department. Mrs. Luther is a very charming lady and will help us very much, both in a musical and social way.

It is as yet rather early to have formulated any definite plans concerning the musicales we shall have this year, but as soon as the "rushing" season is past, we shall be able to decide upon the program for the year. Just at present "rushing" parties keep us very busy and we find that the enrolment of the school of music is larger than ever before, and that some very talented girls have chosen our conservatory for further pursuit of their musical studies.

We hope that this will be a happy and prosperous year for all the Mu Phis.

RUTH MERRIMAN, *Historian*.

PERSONALS

Cupid has been very busy of late among the members of Gamma Chapter, and as a result there have been several weddings this summer. On June 22, Stella Bosworth was married to Dr. Roy Barlow, who is assistant in the University hospital here. Blanch Wall was married to Jay O'Hara on September 28, and Vivian Lyons to Mr. Morse of Jackson, Mich.

MU PHI EPSILON TRIANGLE

On August 23 occurred the marriage of Evelyn Partridge to Dr. Wilbur Bailey of Lansing. The wedding might truly be called a Mu Phi wedding for the bridesmaid, the girl at the piano, and the girls who served were all Mu Phis. Evelyn was an active member last year and Dr. Bailey is a member of Xi Psi Phi Fraternity.

Hazel Crosby, who received a teacher's diploma in piano last June, has a large class in Merrill this year. She expects to return the second semester to study for an artist's diploma.

Helen Showerman, who also received a teacher's diploma in piano, is on the University School of Music faculty this year.

Irene Furniss graduated in public school of music last spring and this year is taking piano work at Bellevue, Ohio.

Five of our girls received A.B. degrees from the University last June. Of these, Catherine Regan has a position as teacher of History at Howell, Mich. Reva Koon is principal of a school near Boulder, Colorado. Jean Diamond is teaching in Galion, Ohio, and Margaret Kilby at Elsie, Mich.

Marie Boos has returned to Eaton Rapids where she taught last year.

Dorothy Wines has been studying with Ernest Hutcherson in Chautauqua, New York, during the summer.

We were very much grieved by the sad death of Nora Bartrem which occurred in July. Nora graduated in 1915 and had been teaching in Paw Paw.

Reva Koon was honored last June by being given a prominent part in the Senior Play.

Olive McLouth, Mildred Hatch, and Ruth Merriman were invited to membership in the Deutscher Verein, an honorary German society.

RUTH MERRIMAN, *Historian*.

DELTA

Dear Sisters:

DELTA hopes that each of her sister chapters look forward to the year's work with as much enthusiasm as she does. We are not going to take in any new girls this year, as our chapter now is one of the largest in Mu Phi. We prefer, rather, to devote our time to our sisters who have been Mu Phis only a short while, enabling them to more fully feel

MU PHI EPSILON TRIANGLE

the responsibilities and enjoy the privileges and pleasures of the sorority.

This year our customary monthly study meetings will be replaced by public concerts given every two months and monthly meetings for musical discussions and victrola concerts. By this change we think we can perhaps raise our standard as a chapter of a great *Musical* sorority, and that, of course, is the desire of every Mu Phi.

We are happy to own a manuscript copy of a song written by Cecile Chaminade. It was purchased directly from the composer herself, and she will use the money in her Red Cross work.

Margaret Dunlop and Marian Peck have accepted positions as assistants to the head of the violin department of the Detroit Institute of Musical Art.

Delta is glad to welcome a new Mu Phi baby. Winifred tells us that his name is Wilfred Fullerton Richardson, and he was born on July 18.

Loyally yours in Mu Phi Epsilon,
MARIAN PECK, *Historian*.

THETA

Dear Sisters:

HERE is very little news to tell. Everybody is back again eager to begin the year's work, except Agnes Franz who has gone to Warsaw, Mo., as Supervisor of Music.

To go back to last spring, Mr. Kroeger gave us a very interesting talk on "Modern Music," with illustrations.

June 9, the Alumni Club gave an At Home for the active members in honor of Roxielettie, at Mrs. Martin's beautiful new bungalow in Webster Groves. Although the weather was inclement, most of the girls attended and had a lovely time, also a peep at our young niece.

About the middle of June the girls went to Kirkwood for a party. They met at Emma Rutledge's and had their first course, after which they went to Jessie Tait's where they were given a cord; on the end was a card telling where to find their refreshments, which were distributed in different parts of the house. All except Roxielettie, who thought she never would come to the end, but under a seat she found a box of spoons much to her surprise.

We give our first party October 14 and have some fine prospective members.

MARIETTA SCHUMACHER, *Historian.*

Dear Sister:

Enclosed please find duplicate of order for advertisement of Kroeger School of Music. The advertisement to be the same as before.

Yours in Mu Phi Epsilon,
MARIETTA SCHUMACHER.

IOTA ALPHA

Dear Sisters in Mu Phi:

Iota Alpha's greetings and good wishes at the beginning of another busy season!!! May it mean new joys, new successes and new friends for all of us!!! And as Iota Alpha's new historian, my own greetings and the hope that, as I have such "big shoes" to fill as Mrs. Fox's successor, you won't make too many first comparisons as to the way they seem to fit!!!!

NU CHAPTER

M U P H I E P S I L O N T R I A N G L E

Iota Alpha has been making memorable history since her last letter to you! The following item from the *Musical Courier* during August tells the story, which I am including in this report. Although it was given wide-spread publicity in musical papers, newspapers, and school bulletins it may have escaped the notice of some of you.

COMPETITIVE CHANCE FOR SINGERS

Iota Alpha Chapter, Mu Phi Epsilon, announces a scholarship to be given for voice, harmony, and Italian. The competition is only open to women. Following are the requirements:

"Applicant must have had at least two years of vocal study and one year study in piano."

"Three references should be sent in with application as to worthiness of further help in studies."

"Applicant to be judged on two contrasting songs. One song to be given in the English language."

"Time to make formal application, August 1 to September 4, and to be sent to Rose Lutiger Gannon, 5006 Washington Boulevard, Chicago, Ill."

"Trial to be September 13, 1916."

"Scholarship is to be given in the Chicago Musical College."

The responses were so many and from all parts of the country that even then we felt compensated for all our efforts. The judges in the contest were from the ranks of our best local musical authorities and I have been told by some of them that the hearing was conducted with the most remarkable dignity and fairness. There was only one flaw to mar it and that was that we had only one scholarship to give—the decision among so many persons of sterling talent was such a close one! The winner, Miss Hazel Bell, is a young soprano of great promise and has all the requirements as to personality as well as art, that make for success. Her note of acknowledgment and appreciation, read at the last business meeting was very touching and appealing and we all have a vital interest this year in our lovely, talented young "protégé!" Do you blame us for being proud of the fact that we can finance and carry out such a splendid undertaking?

Another innovation last year was the Charity Concerts, which we have established as a regular part of our year's work. Three other concerts were given after the one told about in the last

report: Home for the Blind, House of Correction, and a formal concert for which tickets were sold for the benefit of a free dispensary for children in our great stockyard district. All were great successes and each girl speaks of it now as being an experience never to be forgotten. The names are rotated so that each girl appears at a charity concert once every two years and it is made as strict a requirement as the others in our by-laws, although each girl has responded generously and with a heartiness which was the underlying success of all the concerts. And as chairman of that committee, I am proud to say this and much more if I could take the space. As it is I have so much to say that I expect to be called "time" before I finish!

Soon after the election, late in June, a chapter picnic was held in one of our lovely parks and though I was not there the reports still drift in as to what a hilariously good time was had and how nearly the full roll-call was represented—a rare thing for us as our ranks are made up of such busy, busy people. Another pleasure I missed during the summer was meeting Miss Marjorie Snyder of Rho Chapter.

Mrs. Fow is chairman of our program committee this year so we expect big things! The first concert is to be a Miscellaneous Program followed by one of Scandinavian Music, French and Italian Opera, Modern Russian Composers, Modern American Composers, The Directoire and Romantic Period in Music, Modern Women Composers, and the last program of the year, A Request Program. Sounds mighty interesting, n'est-ce-pas? Our programs are really wonderfully successful and we feel that the reason for that success is that we have worked hard for "Musical Publicity" and there lies the secret. A recent conversation with our president included a discussion on that point and she asked me to emphasize the importance of that phase of our activities to you in my letter. The subject is too big a one for discussion here but don't you think it would be a help to you if one of our chapter wrote an article about it for you in the next TRIANGLE? I will see what I can do about it and perhaps I can persuade Mabel herself to give you her views and experience in regard to "Musical Publicity!"

The matter of personal items was a hard one for me this summer because I was out of town the entire three months. So I hit upon the plan of sending postcards with the attached cards for replies to all of the girls asking them to send me news

items of their summer plans and professional engagements, etc., for the TRIANGLE. The answers were beyond my expectations, for they came back almost "to a man"! They were so spontaneous and characteristic that I am going to give them to you more or less verbatim and I think the girls won't mind, though my original intention was far from doing so!! Here they are:

Rose Gannen (contralto)

I certainly was busy conducting a six weeks' normal course at Winona, Minnesota, and Chautauqua work with the Chicago Operatic Quartette; I have been trying very hard to rest but the heat has been so intense. I hope you, etc, etc.

Federica Downing (contralto)

Since July 1 I have sung 44 concerts and on August 18 I leave for the Schaeffer Ranch for a few weeks. Late in September a concert trip to the coast and from October 31 to November 9 a tour in the middle west. I am writing you from Crawfordsville, Indiana. Recently saw Calista Conant do her "stunt," very clever.

Marie Annen (pianist and teacher)

I am afraid I haven't any news for you. I've been at home taking a course in English literature at the summer school at Northwestern University as a little change from my music. I was just as glad to be busy in the heat instead of bemoaning the weather.

Wally Heymar (violinist)

Have been playing for concerts for the Polish Relief Fund in Grand Rapids, St. Louis, and Chicago. Played at a benefit concert recently for the family of a Harvard professor who is abroad as a French interpreter for the British. Have been making automobile trips and go on a camping trip late in the summer.

Marion Schaeffer (monologist and singer)

I feel somewhat backward about sending you an account of my doings. Fortunately there is not much to write except that I had a good bit of Chautauqua work in August and lots of program work beginning October 1. The past year has been a fine one with 26 lessons a week, two or three programs a week and a church position and a BABY and a family!!!!

M U P H I E P S I L O N T R I A N G L E

Zetta Gay Whitson (violinist)

Have been spending six weeks at Ludington-on-the-Lake, Mich., where I have taught in the Mary Wood Chase School and filled six engagements including one full program at the Chautauqua there. Have had a lovely little studio of my own half way up Mt. Epworth where I have put in some good work; thanks to the cool weather and the inspiration of such a beautiful place.

Mabel Ward (soprano)

I have had a very quiet but delightful summer at Lake Geneva, Wisconsin, and Indianapolis. I am anxiously looking forward to earnest study this year with Mrs. Fox.

Naomi Scanlon (contralto)

I spent practically all of the month of July in Chicago, with the exception of week-end parties, at one of which our sister, Mae Doelling, was also a guest. This month (August) I am 400 miles north of Chicago up in the woods. This pine air is wonderful and I wish all the singers in our Chapter could enjoy it for it certainly invigorates one. Some of my recent engagements have been before the Irish Fellowship Club, and the Catholic Women's Clubs of Chicago, Evanston, and the North Shore.

Harriet Smulski (soprano)

I am just writing this to say "Hello"!! We are still in the country to remain as long as we can. The place (Douglas, Mich.) is wonderful and even today (September 21) we are eating fresh corn and other vegetables from our own garden. The lake is roaring down below but we love it. The babies have spent a wonderful summer and look like Indians.

Mabel Heriden (soprano)

I am singing the "Elijah" with the Apollo Club this season, my eleventh appearance with them.

Mildred Brown (violinist)

I played the week of June 26 to July 2 at the Orchestra Hall Cinema Concerts, have several club dates for 1917, have been reengaged as teacher of Violin, History, and Theory at Northwestern College, Naperville, Illinois. A few pupils are continuing through the summer months and when not busy with them I am driving our new "King 8."

M U P H I E P S I L O N T R I A N G L E

Mae Doelling (pianist)

I have all kinds of things in the air. August 31, I play at Dixon, Illinois; October 22, I play the Rubenstein Minor Concerto with the American Symphony Orchestra; the Dvorak Quintette with the Zoellmer Quartette at Mankato, Minnesota (date not decided); Chopin Trio with cello and violin at the Lakeview Musical Society; I have joined the Joliet Conservatory, Joliet, Illinois, and expect to go "crazy" before the season closes!!!

Juliette Geringer (soprano)

My time for the past three months has been taken up with my sisters' babies and housekeeping for them!! Alice's new baby is a girl named Abigail Ruth Kimball. I expect to go to St. Paul to be gone six or seven weeks about September 15.

Juliette Geringer (soprano)

"Haven't been nowhere! Haven't done nothing!! Haven't seen nothing but the lake and tended to the "kids"! No hope of doin' nothin' but that, so there!!!!

Daisy Heist (piano)

All the news in the country goes begging these days as far as I am concerned. You may know lots of news but you don't know that my son has six teeth and he is crawling! Pretty good for nine months, don't you think so?

Effie Harvig Compton (piano)

No news of much interest for you. Just returned from Michigan where we have been touring "a la Dodge."

Sylvia Bargman (piano)

I have had a very successful season. The Amateur Music Club, Lake View Musical Club, The Fortnightly Club where I received beautiful roses from Mrs. Cyrus Hall McCormick, are among my past dates. I have been engaged to play for the Russian dancers, Andreas Pavly, Serge Oukrainsky, and company. Marian Schaeffer and I gave a program in Paxton, Illinois, on August 22. I have had a lovely summer.

Ruth Sharp (soprano)

I sang at Marion Schaeffer's church while she was away the month of July and spent a month at home in Kewanee. Wish

M U P H I E P S I L O N T R I A N G L E

I had some exciting news to tell you! (Author's Note—"see below")

Naomi Nazor (soprano)

I have very little news for you though I feel very proud that I, as a soloist, was the first to initiate the new \$4,000,000 Municipal Pier. It was a terribly hot day and the place was jammed!

Irene Campbell (soprano)

I am still in Chicago (August 2). Have just finished a busy summer term at the Musical College and am in charge of the music at Epworth, Michigan. I am playing golf most every day. Florence Stephenson Gahlbeck and I give our Haensel and Gretel "stunt" for the Normal Park Women's Club in October. I expect to go to the Green Mountains and Lake Geneva later.

Dorothy Lynch (violin)

It may interest you to know that I have retired from Lyceum work after a three years' engagement under the management of the Redpath Lyceum Bureau, leading and managing my own company. I have signed a contract to teach in the violin department of the Columbia School of Music and expect to be in Chicago permanently now, doing concert and club work besides my teaching.

Natalie Price spent a month in the early summer in Asheville, N. C., where she gave an impromptu program of her original compositions. She and Florence Stevenson Gahlbeck have been entertaining professionally in some Lake Forest homes where summer house parties are enjoying their Japanese and other programs. They are planning some character programs together for their winter engagements. They do good "teamwork." (Here is my notice, Helen. Perhaps as an "alum" I am not entitled to it!)

Some of the girls from whom I did not have any word were ill as our dear Minnie Jernburg who I am happy to report is well again and "fiddling" better than ever! There is a persistent rumor that Florence Gahlbeck is to be in the "Koenigs-kinder" cast at the opera this season and Louise Harrison Slade, who recently went into the alumnæ is to be soloist with the Bach Choral Society here in Chicago this year. Anna

OMICRON CHAPTER

M U P H I E P S I L O N T R I A N G L E

Burton De Graw has been visiting from Toronto and Ruby Ledward of Pi Chapter is to be with us this year and as a former Chicagoan and excellent musician we are so glad to have her with us. Maunda Schulz Johnson has a baby daughter and so has Alice Raymer Kimball. Ruth Sharp's engagement was announced a few days ago and, though his name has slipped my memory this minute, suffice to say that he is "the nicest man in all the world" and that is identification enough for the present, isn't it? Best of all he is a Chicagoan and we won't have to give her up! Hurrah!!

There is a budget for you!!! I know my quantity is here but I hope as to quality I will be able to live down the impression of my first letter as Iota Alpha's new historian!! Au revoir!

HELEN ABBOTT BEIFELD, *Historian.*

KAPPA

Dear Sisters:

GREETINGS! Kappa is just beginning her season and is bubbling over with Sorority enthusiasm. Don't you all just love October when everything begins to begin and everybody fairly tumbles over one another for work to do? Would that the whole season were Autumn! But truly we are all just going to put our most earnest efforts into Sorority this winter, and make our season a great glowing, glittering glory for Kappa.

We had our first meeting this week and it seems jolly good to be together again. We haven't been able to get together all summer for everybody was gone and we didn't have enough stay-at-homes to even have a picnic, but we could stir up a table of bridge once in a while.

Our first program topic was Music of the North American Indian and the paper and the musical illustrations were intensely interesting. Our season subject is "Music in America"; we are taking all phases: orchestras, concerts, companies, composers, etc. Don't you think that sounds enticing?

We are not only planning a big musical season, but are counting also on a lot of pleasure socially. We decided that instead of our usual Banquet on Founders' Day we would have a big gorgeous ball, not a tame demure dance but a brilliant butterfly ball, with confetti and toy balloons. Oh, yes, and

above all things, snapping bon-bons that turn out bewitching millinery creations. But I'll write you all about that afterwards. I am so full of it now though, I had to give you just a glimpse of our plan. Oh, wouldn't it be grandissimo if you were all going to be here. We would have to rope in the circle, and fox trot around the monument. When we have Convention we'll do it. Here's hoping it won't be very long until we have it here. Indiana is having its "Centennial Doings" now, and such times! Parades, pageants, and grand operas, oh, and everything—it would be a fine time for you to come over and see our city and state.

Well, I guess I'd better begin to end this missive. Oh yes, we have two of the girls back this year, Elise Evans, who has been studying in Chicago for the past year, and Martha Harvey who was in Northwestern University last year. Martha was a member of Sigma Chapter while there, but their loss is our gain, and we are mighty glad to have them both back. I think my time is about up so Kappa'll say "Adieu, fair one, adieu"—

Enthusiastically yours in M Φ E,

MABEL WHEELER MORGAN.

LAMBDA

THE Lambda girls are back from their summer's vacation with greatest enthusiasm for the winter's work and are determined to make this a banner year in all respects. There were several M Φ E girls in town during the summer but we had only one official get-together. This was in the form of a picnic held on Cayuga Lake. We took basket lunches and certainly had the time of our lives. After our return from the lake we went to the "Movies" in a body to make a fitting ending to such a jolly day.

Two of our girls were back for summer school at Cornell, Marion Rogers and Arieteene Clifford Smith, who was accompanied by her baby daughter and husband who was taking the course in Public School Music.

Ida Reed spent her vacation motoring through the New England States and later through Pennsylvania. Enola Foster spent some time in Baltimore. Jennie Frost spent the summer in the mountains. Alcinda Cummings sat for her portrait this summer. The portrait will be exhibited at the fall Art Exhibition.

Helen Doyle surprised us by announcing her marriage to Mr. Durrett, who is manager for Charles Frothingham. Among her wedding gifts Helen received a Stradavarius violin.

Clara Squires was married in July to George Massland, a graduate of Cornell. She had a very charming home wedding, two of her attendants being Lambda girls.

Announcements were also received of Daisy Anthony's marriage to Mr. Cocheran of Ohio, and Laura Pickering to a Mr. Barnes, of Pennsylvania.

Among the summer's engagements were Lula Ann Brenner's to A. Blakelock, Cornell '17, and Florence Wolford's to Hugh Stuntz, Cornell '16.

We are the possessors of a new Sorority baby, Jane Barden Severinghouse being the proud mother.

Mabel New Williams spent the summer in Ithaca with her parents.

Helen Harrison and Hilda Mullen are out on concert trips. Several of our girls have opened new studios. Marguerite Pettit is instructing in violin at Lockport, N. Y. Gertrude Fink has gone to California to open a piano studio. Mae Holmes is to do work in Binghamton in addition to her regular classes at the Conservatory. Cecil King is conducting a choir in addition to her vocal work.

Ruth Myers and Grace Covey are teaching in Winthrop College, Rock Hill, South Carolina. Lora Norwood is teaching in the Straight College at New Orleans, La.

Florence Warriner gave a concert during the summer, being assisted by Lora Norwood. Leora Charlton also gave a concert with the aid of Florence Wolford, Bertha Bennett, and Marguerite Pettit.

INSTALLATION OF MU CHAPTER

Dear Sisters in Mu Phi Epsilon:

I SUPPOSE you already know of the reorganization of Mu Chapter and I feel sure you will be interested to hear of our installation.

It was about the fifteenth of May that we learned that our chapter was eligible to become a member of the National Organization, and you can imagine with what interest and enthusiasm we awaited the day of installation, which was the twenty-sixth of the month.

M U P H I E P S I L O N T R I A N G L E

When the time arrived everything was in readiness. We had planned a short program for the afternoon in honor of our installing officer, Miss Anna M. Baker, and this proved very successful in spite of the fact that Miss Baker's train was delayed several hours, therefore making it impossible for her to be present. This program consisted of several musical selections by prospective members of Mu Phi Epsilon and also a number of readings by members of Zeta Phi Eta, an honorary Sorority of the Oratory Department which had its beginning the same week of our reorganization, and with which we had the pleasure of sharing our entertainments.

Mrs. Leta Coleman Hosch was selected Toastmistress of the banquet for the evening, and filled her place with efficiency and credit. Several toasts were given by members of the two Sororities and the banquet was a pronounced success. The dining-room was attractively decorated in the Sorority colors of purple and gold and maroon and orange.

At the close of the banquet the prospective Mu Phis were requested to go to their rooms and array themselves in solid white. From there we were to go to the hall wherein the mysteries and secrets of Mu Phi were to be revealed. By ten o'clock we had all assembled and in a little over an hour fifteen new names had been added to the list of true Mu Phis. The ceremony, which was conducted in a spacious hall decorated with violets and Sorority emblems, was beautiful and impressive, and it was with mingled feelings of joy and reverence that we seated ourselves to hear the kind words of our beloved Miss Baker as she explained to us in her gentle loving way the duties and obligations, as well as the advantages and joys of true Mu Phis.

When we had talked together for a long time we reluctantly bade farewell to Miss Baker, our friend and sister, and went to our rooms to think and dream of the joys of that wonderful day.

LESLIE HARRIS.

We have no pledges to report yet but material this year seems good both in quality and quantity, so before long we expect a widening of our circle. There has been no time so far this fall for social activities. However, our patroness, Mrs. P. L. Campbell has invited us to her home on October 14. We are looking forward eagerly to this for we know a delightful time is coming.

Nu extends to all her sister chapters the wish for a very successful year.

Sincerely your Sister,

XI

Dear Mu Phi Sisters:

SCHOOL has started with a rush again and we are right in the midst of it in more ways than one. This year we are situated on top of the "hill" where the University is located, within half a block of the Fine Arts building. We are all together in a house of our own, with our own furniture, and how we enjoy it. Of course, it has taken most of our extra time to get everything adjusted since we came back to school, and our president, Gladys Henry, loyally spent the most of her summer in getting the house ready for us, but how well worth while it is. There are nine girls in the house now, besides our housemother, Mrs. Mason, and we expect to have two more girls.

One of the things that makes us the gladdest this year is the fact that we are going to have Convention. Last year we envied the Alpha girls as they talked of their plans, but now we can do the same thing ourselves. We are more than proud because this will be the first Convention of its kind ever held in Lawrence.

The first week of school we entertained a number of new Fine Arts girls at dinner several times. The only other social event we have had was an informal tea one Saturday afternoon. At present we have three new pledges.

On the fifteenth of September our alumnae very pleasantly surprised us with a silver shower. We received many handsome spoons and other gifts.

ELIZABETH DUNN, DOROTHY BELL, AND MARY JARVIS

We celebrated the birthday of our chapter on April 12 with a Birthday Musicale. Each guest brought as many pennies as he was old. This was our regular monthly musicale and was one of the most successful we had.

On April 29 came our annual spring dance which was held at Ecke's Hall.

On May 7 Miss Harriett Griessinger, Professor in Piano in the Fine Arts school, and one of our alumnae, royally entertained us at breakfast. We enjoyed this so much.

We celebrated Mothers' Day on May 19, when we entertained all the mothers who could be there for luncheon, had a line party to the picture show in the afternoon, and then took them to the Fine Arts Banquet in the evening.

Initiation was held May 24 for Una Allen, a junior in piano.

PERSONALS

Three of our girls, Mary Jarvis in organ, and Helen Dawson Frederick to Jesse Fisher, Ruth Burnham to William Hoyt, and Audrey Harshberger to George Snoddy.

Three of our girls, Mary Jarvis in organ and Helen Dawson and Ailene Wilson in piano, gave splendid graduating recitals last spring. Mary is teaching public school music in the Pratt schools this year and Ailene is back this fall taking postgraduate work.

Grace Bell and Helen Bocker attended the Y. W. C. A. Conference at Estes Park, Colorado, this summer. Dorothy Bell also spent several weeks in the Park.

OMICRON

IT was the nineteenth of September and the grand hall of the old conservatory was crowded with returning scholars, professors, librarians, and all the host of people associated with the opening of school. Everyone was shouting their greetings and indeed it was great joy to find so many Mu Phi girls had returned for another season of study. Our first meeting was held on Wednesday, September 27, when we immediately made preparations for rushing parties. We have been most busy carefully selecting prospective Mu Phis. On Friday, October 6, we did quite some rushing in the form of a theatre party, including seventeen girls. It was a great success and we are all happy over the outcome. Now that the rushing season is over we are all prepared for aggressive work and not one is lacking in enthusiasm.

Upon comparing correspondence we find that Orrie Kaiser, our President of last year, who graduated in June, gave a recital in White's Theatre, Frackville, Pa., on September 23, 1916. She met with great favor by all who heard her. Orrie will teach this winter in her home town—Pottsville—but has expressed a wish to remain active this year.

Millie Strauss, our Warden of last year, will teach in her home town—South Bethlehem—this coming winter, but has also expressed the wish to remain active.

Ruth Row, our Treasurer, also a member of the Faculty, gave a recital at Susquehanna University, Selinsgrove, Pa., in August, where she was cordially received and highly commended. She also did piano work in a concert given by the Greenwood Civic Club at Greenwood, Delaware.

Alma Bechtel, our delegate to Convention last May, was made a member of the Faculty this fall. Another honor of our chapter.

Irene Garrison was most loyal to her talent during the summer, having assumed the duties of an organist during the month of August in Narberth, Pa.

Hazel Hartman has joined a musical trio, with whom she will tour the country this coming winter as a violin soloist. With Hazel goes forth the pride of Omicron Chapter. For her we wish great success.

Our composition contest ended with the closing of the month of May. William Mooney, a member of the Sinfonia Frater-

nity, was the winner of a beautiful loving cup, which was presented by Mr. Combs at the Academy of Music, at the time of the graduation exercises.

We have not as yet decided on the girl to whom our scholarship it to be awarded this year, as there are quite a few girls upon whom we could worthily bestow this honor.

Omicron has received the announcement of the marriage of Gertrude Helms to Earl Wagonseller on September 27, after which they left for an extended tour through the New England states.

The girls all send greetings to their sister Mu Phis and hope that good fortune will attend you all during the coming season.

Lovingly yours,

EDITH SCHAFFER, *Historian.*

PI

Dear Sisters in Mu Phi:

WE are all back to work, study and practice again, after our summer vacation. Then greetings to every Mu Phi sister!

Are we all glad to find ourselves busy? Indeed, we could not be our happy selves if it were not for our work. The strivings for success, the best efforts for the advancement which must come to conscientious workers are foremost in our thoughts. But back of it all is the inspiration of our sisterhood, the inspiration which Mu Phi gives her members. Then let us all at this time be thankful for our beloved sorority, be ever mindful of our duties and obligations to her. For her we will work, we will strive nobly upward by that righteous path which leads to success.

The beginning of this fall year found our chapter with sixteen active members. Our first social event was an afternoon tea given in our chapter-room for all the girls studying at the Conservatory. This gave the old girls an opportunity to meet the newcomers.

A short program was given by two of our sisters:

MARIAN RAMSY

There are several of our sisters who did not return this year. The majority had graduated in June and are now holding splendid positions.

Lillian Mundt graduated from the expression and voice department and is now instructor in voice and expression in Frederickstown, Mo.

Geraldine Hill graduated from the piano, voice, and public school methods but returned this fall to continue her work at the Conservatory. She left us a few days ago for Hastings, Nebraska, where she will teach voice and public school methods in the Hastings college.

Ellen Rowell, '16, received her Bachelor of Music Degree in the voice department and she now has a private class of vocal students in Appleton.

Gertrude Biehn, '15, instructor in P. S. Methods and Drawing has resumed her teaching at Kennett, Mo., Irene Albrecht, '15, piano instructor, has established a studio at Hilbert Junction aside from having one here in Appleton.

Merle Trembath, '16, graduate in P. S. Methods, is now teaching P. S. Music in Ishpeming public schools besides private class of piano students.

Maurine Gibson, '16, a graduate in P. S. Methods and junior in voice is now continuing her vocal study with Mrs. Genevieve Wheat-Baal.

Irene Nelson is at home in Escanaba, Michigan, and has a private class of piano students.

Loyally yours,
 BERTHA BERGMAN, *Historian.*

SIGMA

Dear Sisters in Mu Phi:

BEST love and greetings from Sigma after a summer that we hope has proven as pleasant to you as to us.

Our chapter decided to dispense with the usual amount of rushing, inasmuch as we now, after the initiation of our pledges, number thirty-one.

M U P H I E P S I L O N T R I A N G L E

Almost as soon as school commenced we had our first "get-together" party, at the home of our faculty sister, Mrs. Charles Haake. We enjoyed ourselves immensely.

Our second party was held in Glencoe, at the home of Susannah Armstrong.

Mary Ann Kaufmann, a chapter honorary of Sigma, gave an interesting recital at the Evanston Women's Club on September 26, 1916. The following groups of songs were rendered with great skill and artistry.

- I. Es dufted Lind *George Shumann*
Nelken *Weingartner*
Charmant Papillon *Andra Campra*
La Tasse (aria) *Godard*
- II. Snowflakes *Mallinson*
Clover *Watts*
Bitterness of Love *Dunn*
Bells of Rheims *Lemare*

We gave a banquet in honor of Mary Ann Kaufmann at the Evanston Hotel, September 26, 1916. We were very happy and fortunate to have her with us again.

Grace Robinson is teaching elocution in Racine, Wisconsin.

Olive Jane Rice of Bessemer, Michigan, was married to Mr. Stephen Quayle, September 17, 1916. They are living at 1021 South Central Ave., Virginia, Minnesota.

Doris Trafford is instructing at the Northwestern settlement.

Fannie Heisinger, our president of last year, is supervisor of music in the public schools of Churches Ferry, North Dakota, and teacher of Theory in the High School.

Bernice Austin is teaching piano in Chicago, Ill.

Florence Breyspraak was married to Mr. Fred Bechstein, October 11, 1916. They will reside at 920 Hinman Ave., Evanston.

A miscellaneous shower was given for Florence Breyspraak at the home of Adelaide Bechstein.

Olive Johnson spent four enjoyable months in California this summer.

Esther La Rash is supervising music in Savannah, Illinois, and Dorothy Snavelly in Little Falls, Minnesota.

The following girls have been pledged and we expect to initiate them very soon—Linita Lees, Electa Austin, Dorothy

Cox, Margaret Hughes, Myra Kuhn, Ruth Manley, and Leona Dickman.

Our first monthly musicale of the year will be held October 10. We are planning to devote our evenings to the music and musical development of various nations. In October and November American music will be taken up. Mrs. Ancella Fox of Iota Alpha very kindly gave us good suggestions and assistance with our year's program. One new feature that we expect to be very interesting and instructive will be our "Opera Night." We will have some authoritative person talk to us about the operas produced in Chicago this winter, and the more notable participants.

Each and all of us send our best wishes for the success of the coming year to every chapter.

Loyally yours,

SUSANNAH WINIFRED ARMSTRONG,
Historian.

UPSILON

UPSILON Chapter has not yet really commenced its work or established itself as so few of the girls return to school before October. In fact, our first meeting was held October 1, with all the active members present, namely, Jemmie Vardeman, president; Inez Scherck, vice-president; Helma Hansen, corresponding secretary; Ermil Whiting, recording secretary; Wanetah Kleiser, treasurer; Sarah Louise Brown, historian; Margaret Spaulding, Mary Coates, and Inez Gill. However, the usual rushing with various entertainments and theatre parties, has been done. But, in the next issue of our publication, we shall give a full account of all the activities which have been planned.

Fraternally yours,

SARAH LOUISE BROWN, *Historian.*

SOCIAL

On September 23, a pajama party was given in the gym in honor of our honorary members and a few of the new girls. A Dutch lunch was served after the dancing.

An informal rushing party was given the evening of September 16 in the sorority rooms.

Dear Sisters:

NUMEROUS and varied have been the events in Chi since our last letter. In the first place Cupid has been in our midst and the result is our Margaret Davison is now Mrs. Dick Miller of Franklin, Pennsylvania, and Rhea Bennett is Mrs. Alfred Beck of Brooklyn, New York.

Gladys Grove was given a hearty welcome when she returned from New York early in June in company with Madame Buckhout, with whom she appeared in a joint recital. As accompanist she supplied delightful support and her piano solos were much appreciated.

On the evening of June 17, we gave our second open musicale at the home of Nina Blair, at which time we entertained our patronesses and other invited guests. The principal feature of this program was that all the vocal numbers were written by American women. The following is the program:

Our annual College Commencement Exercises were held the third week in June. Among the graduates were seven Chi girls: Frances Crain, Florence Downing, Harriet Sherman, Winifred Rice, and Everil Smith; Dorothy Charles and Alice Stanley completed the Postgraduate Course. Florence Downing also graduated from Allegheny College in June.

Our Commencement activities closed with the initiation of nine new members into Chi Chapter: Thyra Fulton, Grace Hall, Mabel McCurdy, Grace Glandon, Clara Griffith, Eleanor Hanson, Christine McWilliams, Laurretta Strayer, and LeVieve Worster.

The initiation was held at the home of Harriet Wright where both sorority colors and sorority spirit were much in evidence. The photograph of Chi which appears in this issue was taken immediately after the initiation. Then followed a dainty luncheon after which we scattered for a few hours and met later at the Hotel Rainey on Conneaut Lake for our Annual Banquet. The spirit of friendship and loyalty which prevailed on this occasion will long be remembered by the thirty-five members who were present.

One of the enjoyable events of early August was the party given by Gladys Grove in honor of Marie Thompson of Alpha, who was her guest. Emma Eiffert's "Garden Party" in September was thoroughly enjoyed by all of our girls who were in town at that time.

We have outlined our program for this year's study, which is as follows:

1. American and French Opera.
2. Mu Phi Honoraries.
3. Scandinavian Music.

4. Oratorio.
5. Negro Music.
6. German and Italian Opera.
7. Folk Songs.
8. Russian Music.
9. Primitive Music.
10. Miscellaneous.

Sighs For Psis

IT MAY seem odd to say that the School of Music in this Institution was the only department which could not boast of supporting a sorority, but nevertheless such was the case one year ago this fall. To keep working with nothing in view, as a compensation in the way of public evidence of merit, for all the labor required to become an efficient scholar in music, seemed hardly fair to our girls, when the other schools in our university offered something for ardent study, to the chosen scholar.

One day I asked our Director, Professor Stolz, if he would approve of an organization in our school, and immediately upon his sanction I borrowed *Banta's Greek Exchange* and searched through it for a national Musical Society whose purpose would mean more to us than social position. Hence Mu Phi Epsilon was chosen as the only one based on merit. Correspondence started at once, the Director signing every article, but hope of ever getting Mu Phi Epsilon had ceased, for we heard nothing from October until January. From that time on we kept up correspondence with Mrs. Pfau, and not until March was it made known to anyone, not even the girls eligible to belong. Then for a month after all the girls were asked to coöperate in a local chapter we were cave dwellers. In April we asked for recommendations for Alpha Omega members and every fraternity was surprised to learn of our existence. Upon an invitation received from Mrs. Pfau to send a petitioning representative to the Convention I was chosen and went to learn our Fate.

After the Convention, bubbling over with news of the splendid time, and spirit of Mu Phi Epsilon girls, filled with enthusiasm I reported the results of the assembly, not knowing the returns of the day. But one day in May, when news came that our local chapter Alpha Omega was granted a petition in Mu Phi Epsilon, words could not express our joy.

It was not long after this good news that a letter came saying we were to be installed the same month. Alpha Omegas had planned a dinner party in honor of Mu Phi Epsilon's Supreme President for installation day had come and so had Miss Taylor. The time for preparation was indeed limited but our first visit and feast with Miss Taylor could not have been a greater success had we planned a year.

MU PHI EPSILON TRIANGLE

On the thirtieth of May, Purple and White predominated when thirteen girls were affiliated in the great sisterhood of Mu Phi Epsilon. The installation ceremony which was very beautiful and indeed most sacred brought with it the purity and loyalty with which we were bound, as are all Mu Phis.

In the afternoon of our installation day, we rendered an impromptu program in the studio of our chapter honorary, Madame De Sylva Schoen. After this Miss Taylor explained the Constitution and Rulings which brought us still closer with this great sisterhood.

That evening a reception was given in the parlors of the Women's College for Miss Taylor. Representatives from all sororities and fraternities of Bucknell University were present thus showing their eagerness for a chapter of Mu Phi Epsilon to be added to the Panhellenic world of the College.

NELLE W. AUMILLER, *President.*

Pi Beta Phi entertained us at a picnic supper on the campus. Delta Delta Delta welcomed Psi into the Greek world by entertaining at cards.

Psi made its initial appearance as a chapter of Mu Phi by aiding in a Benefit Concert for the Evangelical Church.

The Dean of Women's College (Miss Carey) is one of our chosen patronesses.

All our girls even our pledges are very enthusiastic, and we are hoping to make you older chapters do anything, but sigh (Psi) at our results.
