Mu Phi Epsilon Year Book
1910-11

Vol. VI. **Published in the Interest of the Mu Phi Epsilon Sorority** *No. 6*

President's Message

DEAR Sisters in Mu Phi Epsilon:

I hope to prove worthy of the trust and confidence you placed in me when you elected me to the high office of Supreme President. I thank you from a full heart and want every Mu Phi girl in each chapter to feel that in me she has a friend who will be glad to help her in every possible way.

Our beloved sorority is growing rapidly in influence and power. The dreams of its founders and those who have worked faithfully for a "Musical Sisterhood" are coming nearer to being realized as Mu Phi with its motto of love and unselfish service—"Seeketh not her own"—broadens its field of activities. What a power for good among musical students we may become! What a bond of friendship and true sympathy! Three Hundred girls in music schools throughout this broad land striving for the same high ideals and pursuing practically the same courses of study—meeting annually to strengthen the ties which bind them so closely—ties of music and friendship!

We all feel that we lack one of the necessities of true sorority life—a song book. As a musical sorority we cannot be complete without that which should stand for an outward sign of our love for music and for each other. I want to urge each Mu Phi girl to feel personally responsible for the song book and to see that the delegates from her chapter bring at least four songs to convention—songs with music and words original or songs with words adapted to suitable music. Let our watchword be *A Song Book for 1912.*

Lovingly yours in Mu Phi Epsilon,

ALICE D. BRADFORD.

Letter from the Historian

MY DEAR SISTERS:

In compiling this Year Book, it has been necessary for me to deviate somewhat from the plans made for getting it up, and I hope you will bear with me in whatever I have done that may not meet with your approval.

The coat of arms is not in the lower left hand corner as planned, because both printer and stationer advised that this die would look much better in the center. Also the die would have made a much better showing on a light colored paper, white or cream, as it is impossible to make a pure white on such dark material. The stationer will give me samples of different combinations to show at the next convention and we may then choose practicably our cover for the book.

In getting up the next Membership Directory we should have the names and addresses of all girls who were ever Mu Phis and I wish that before our next convention each chapter would make every effort to get names and addresses of *all* girls who have been members of that chapter.

Any alumnae member may have a Year Book on receipt of 56 cents — sent to me.

The ruling about our honorary members is a point that has worried us quite a little. It became necessary for me to put the names of all those who are not "national celebrities" under the heading "Patronesses." We all thought it best to take the step now and have no further trouble over it. Let us work for a *real* honorary roll for next year.

The lack of drawings in our Book is quite noticeable, when compared to other books of this character, and I wish that for next year we could have several original drawings by Mu Phi girls. We ought to have a real college spirit about our Year Book which it has lacked up to this time.

We hope that every chapter will have at least a page and a half of advertisements ($15 worth) for next year. Begin early and have everything ready for convention.

Let us work for an entirely new set of pictures for next year, having each chapter represented.

With best wishes to you all for the coming season and hoping our next Book will be one to be proud of, I am

Yours in Mu Phi Epsilon,

AUGUSTA E. GENTSCH.

Letter from Alpha

AFTER a most enjoyable summer vacation, Alpha Chapter opened the year 1910-11 with an active membership of twenty, every girl coming back with a determination to make this year the very best.

At our meetings, held regularly twice a month, we earnestly studied Wagnerian operas, and our committee did wisely in selecting these programs for they proved most beneficial as well as enjoyable. We also had a number of open meetings, some at the college and some at the homes of several of our members. At the home of Marie Strait we all enjoyed listening to a talk on Paris given by Miss Tucker, who had lived there for over a year studying music, French and the different customs of the French people. After hearing her splendid lecture we all felt as though we wanted to leave immediately for "Gay Paree".

During the year we initiated nine girls, three in October and six in March, now having an active membership twenty-seven. Following the initiation ceremony a banquet was held at the Grand Hotel. Mrs. Mary Towsley Pfau made a splendid toastmistress, and we were all quite proud of our initiates, each one of whom had composed most original as well as appropriate songs for the occasion. With the assistance of these charming new girls, the coming year ought to be one of great progress.

On January 2nd, we gave an informal dance at the college, followed by a dutch lunch, which was enjoyed by all.

In February we gave a delightful musicale at the Northside Methodist Church, all present pronouncing it a great success.

Alpha Chapter sends love and greetings to her dear sisters in Mu Phi Epsilon, and wishes them all as enjoyable and profitable a year as our past one has been.

LILLIAN SIMMONS, *Recording Secretary.*

Invocation

Music, Heavenly muse,
Unfold thy charms divine,

Prithee my soul infuse,
Hear thou this plea of mine;
Inspire thou every hour,

Enhance each passing day,
Pour forth thy wond'rous power
So life's one round-de-lay.
In splendid harmony,
Love's motif but the theme
Of our Sorority—
Naught shall this prayer demean.

Letter from Beta

BETA CHAPTER sends warmest greetings to all her Mu Phi sisters, with all good wishes for the coming season.

Since September 30, 1910, we have welcomed twelve new girls into our midst, making our total active membership twenty-eight, all of whom make the welfare of Mu Phi Epsilon their constant care.

Meetings were held every Tuesday evening and our program of business, study and pleasure proved most helpful. For the study meetings the works of the greatest composers from Purcell and Scarlatti to Debussy and Strauss were illustrated by our violinists, vocalists, cellist and pianists, and the Operas of Wagner including the "Ring" all of which proved most inspiring, especially the Wagner, though we realize that being such young students, we could not go very deeply into that part of our work.

The social affairs have been a delight to us all. On November 18th, Mrs. Hirsch and Rosetta entertained the chapter at their apartments in Cambridge. The afternoon was such a happy one that we forgot all propriety and stayed much later than the allotted time.

In December the Pan-Hellenic Society held their Christmas Bazaar. The sale and a lecture on "The Passion Play" took place on the 12th and a large dance in Horticultural Hall on the 13th. The bazaar was quite a success and we have taken our share of the proceeds to help establish a Mu Phi Scholarship at the Conservatory.

The Annual Conservatory Costume Carnival was held in Symphony Hall on February 14th. Several of our girls were in the ensemble dances.

During the year, Beta entertained Sinfonia, Alpha Chi Omega, and Phi Mu Gamma at three "500" parties.

On March 6th, Sinfonia entertained us at a delightful "Poverty Party" in their fraternity rooms.

We were guests of Alpha Chi Omega at a beautiful reception in honor of their Grand President and of Phi Mu Gamma at a delightful "500" party and at their Convention reception, held in Recital Hall.

On May 1st, Beta gave her formal dance of the year. There were about twenty couples present and all enjoyed the dance to the utmost.

Our annual musicale and reception was held on May 18th. The program was declared splendid and the reception a decided success. Palms and rugs made Recital Hall look cozy, together with the lavender and white lilacs and Easter lilies used on the serving tables. The orchestra was fine, and we danced until twelve.

Following is the program:—

Program

Beethoven, Sonata, Op. 69. Pianoforte and Violoncello

Only you who are Mu Phis know how much our year of work and pleasure has meant to us as members of our glorious Sisterhood, and next year we shall continue to strive for the perfection of those ideals which are the goal of our Sorority, with hopes of much greater success.

Yours in Mu Phi Epsilon,
MARGUERITE E. HINMAN,

Personal Notes

Active

Sarah Davis and Augusta Gentsch played the Beethoven C minor and the Tschaikowsky G major concertos, respectively, with great success at Commencement this year. Both have performed several times during the year.

Venie Jones, Vivian Peavey and Rachel Andem are the other graduates of our chapter, and we can only sit around and sigh when we realize what dear girls we are losing.

Venie Jones sang with the Conservatory orchestra at the last advanced recital.

Phyllis Hammond and her harp have taken several trips this season through New England and New York State. She is progressing wonderfully under Mr. Schuecker of the Boston Symphony.

Virginia Stickney has been Josef Adamowski's assistant in cello this year. She, also, has been en tour and has played many times in Boston.

Alicia Duffy, accompanist, went on a three weeks' tour through Nova Scotia in the fall.

Eleanor Sargent, Phyllis Hammond and Georgia Ross gave a concert in Amesbury, Mass., in May.

Vivian Peavey is contralto at the Brighton Ave. Baptist Church.

Marguerite Hinman is second soprano at the Second Congregational Church in West Newton.

Abby Conly is contralto at the Ames Unity Church South, Easton, Mass.

The announcement of the marriage of Florence Trefry, one of our finest sopranos, to Mr. Frank Carlton Gorman came as quite a surprise to us. They will reside in Boston next year, so we shall not have to lose Florence for a while yet, we are happy to say.

Letter from Gamma

GAMMA CHAPTER sends love and best wishes to all her sisters in Mu Phi.

The past year has been a very successful one, both musically and socially, and we are very enthusiastic about our prospects for the future.

This year we have a whole house, which we entered in September, and five girls besides our matron, have made this their home. We feel that having a house has been a great help to us all.

In the fall we had a strenuous rushing season, and seven girls were pledged, all being initiated into our Sisterhood, November third, 1910.

Meetings have been held twice a month, on Monday evenings, the first one being devoted entirely to Sorority business affairs, and the second to business and pleasure—the latter in the form of musicales, to which our patronesses and friends are often invited.

On November 21st, we were entertained by the freshmen at a musicale given at the house, after which refreshments were served by five girls having birthdays during that week.

Halloween we were guests of the Phi Beta Pi fraternity at Dr. Darling's farm, and spent a glorious afternoon and evening.

On January 24th Mrs. Elenore Hazard Peacock, of Detroit, gave a complimentary recital at High School Hall, at which we were invited guests.

After the recital we invited her to become our first Honorary member, and she very gracefully consented. She was pledged the same evening, and was initiated with four girls, March 23rd, 1911.

Their coming gives us a membership of seventy-five, twenty-eight of whom are active, and we already have three girls pledged who expect to join us next year.

We gave a "star" musical on the evening of January 30th, at which our most talented girls took part.

On February 16th we entertained at a large dancing party at the

Country Club, and we are planning another one for May 15th, which will be a farewell to the girls who leave us in June.

One of our new sisters will give a private recital May 5th at the home of one of our patronesses, to which several guests have been invited.

Only two of our sisters graduate this year—Alice Fuller, who will receive her Artist's diploma from the School of Music, and Grace Cameron, who completes her Literary course at the University.

This has been a very profitable and successful year in every way, but we are planning to make next year still better.

Letter from Delta

DELTA CHAPTER sends greetings and best wishes to her sisters in Mu Phi Epsilon.

On October fifth, our seventh year was opened with a business meeting. Following our usual custom, we have held these meetings each month. The first Wednesday of the month a business meeting; the second Wednesday a study meeting and the third Wednesday a social evening.

This year we have taken up in particular the study of Beethoven, Chopin and MacDowell—studying their biographies and analyzing their compositions.

November second four new girls, having successfully gone through the mysterious rites of our initiation, were added to our membership.

November twenty-fifth we had a very delightful informal dancing party in honor of our new sisters and the Sinfonia Fraternity. The hall was appropriately decorated with college banners.

Many of our members have taken part in the regular Wednesday afternoon concerts at the Conservatory.

February first our new sisters entertained us at the Chapter room, where we enjoyed many amusing stunts and spent a most delightful evening.

On February twenty-eighth Delta Chapter gave a very successful musicale at Conservatory Hall.

March the fifteenth we were the guests of the Sinfonia Fraternity. A musical program was enjoyed after which refreshments were served.

April nineteenth seven more girls were initiated and a few weeks later a dance was given for them at the Detroit Yacht Club.

Just before the close of the year we received still one more into our midst, giving us an active membership of thirty-one.

Respectfully submitted,

MILDRED B. SCHAFFER, *Historian.*

Several of our members sang in Haendel's Oratorio "Messiah", produced under the auspices of the Detroit Conservatory of Music, February seventh, with Elizabeth Moore as soprano soloist.

The following girls graduate this year: Mary Commons, Norma King, Edith Larrowe, Mildred Schaffer.

Misses Johnson, Mary Commons, Mable Guess, Edith Larrowe, Helen Fitzsimons and Marjorie Cleland will spend the summer abroad.

Letter from Epsilon

A GREETING to all our sisters in Mu Phi from Epsilon Chapter.

It is with great pride and pleasure that the girls of Epsilon Chapter look back upon the year about to close.

While our membership is not as large as we hope to make it, what was lacking in number, we have made up in congeniality, enthusiasm, and work. Our first meeting was held September 12th, and we had our regular buisness and program meetings each month.

Our study this year has been the Development of Music up to the Present Time.

Our meetings have been most entertaining and instructive. Two of the meetings have been open to our friends.

Our first program meeting was held September 26th. The subject of the paper was "Oriental and Ancient Music." The evening of October 25th was devoted to the "First Ten Centuries of Music". An interesting discussion followed the paper.

The subject for November 22nd was "From 1000 to 1600—Including the Epoch of the Netherlands," illustrated by folk and minstrel songs of the time.

Later programs were:—

December 20th—"The Rise of Dramatic Music."

January 17th—"Beginning of Oratorio and Instrumental Music in the Sixteenth Century."

February 14th—"Progress of Opera."

March 14th—"Growth of Oratorio and Instrumental Music in the Seventeenth Century." Handel was the composer of the evening and the musical program was devoted to his compositions, instrumental and vocal.

April 11th—An open meeting. The subject of the evening—"Italian, French and German Opera." Three papers were given, followed by a story of an opera from each class. Current Events and music completed the program.

Our two remaining program meetings are to be—

May 9th—"From 1700 to the Present Time." "Oratorio, Cantata, Sacred Music."

June 6th—"The Development of Song."

Plans are being made for a public Mu Phi Musical to be given in Collingwood Hall early in May.

March the 4th was Initiation Day, three new members coming into our beloved sorority. It was a great day for them, starting at seven o'clock in the morning. Initiation tests were made at the different homes.

The ceremony at the rooms was followed by a banquet at Chesbrough Dwellings. The new sisters who that day proved themselves most worthy to wear our Mu Phi Emblem are Eleanor Hicks, Frances Goodeman and Clara von Nostitz.

Socially we started the year with a Halloween Party, October 31st. This was a fancy dress party, and the evening proved a merry one.

We had a card party in our rooms in November, as the first in a series of small rushing parties.

During the visit of sister Mayme Baker Worley in Toledo, Helen Dildine entertained the Chapter and a Sorority spread was given at the rooms in her honor.

Before our Farewell party in June, we hope to have a number of pledges ready for an initiation in the early fall.

With best wishes for all of our sister Chapters.

Respectfully submitted.

Letter from Eta

ETA sends greetings and best wishes to all of her sisters in Mu Phi Epsilon. Upon the opening of college, September 20th, rushing was begun. After a series of very enjoyable rush parties at the homes of our members and at the Chapter House, we pledged ten girls.

On October 25th, initiation was held at the Chapter House, followed by a banquet.

We observed Founders' Day, November 13th, by a "Musical" to which patronesses and alumni were invited.

We have held several very delightful dancing parties at our Chapter House during the winter, and are now planning for a formal ball, which we are going to hold at the Chapter House very soon.

Every Friday evening after the regular meeting, we have a musical program.

When Mme. Schumann-Heink gave a concert here, on February 17th, Eta Chapter went in a body to hear her. After the concert she received us in her dressing room and we had a very enjoyable chat with her.

Eta has been represented in all of the public recitals and all but one of the private recitals.

This has been a happy and successful year for Eta and we have every prospect for a bright future.

Respectfully submitted,

HAZEL M. COHN, *Historian.*

Letter from Theta

THETA sends love and greetings to all sisters.

We have many reasons for rejoicing as our fifth year has proved very successful both musically and socially. Our meetings, which were held semi-monthly, were equally divided between business, study and pleasure.

Our study meetings were devoted to "Primitive American Music", "Musical Development in America" and "American Composers". Papers were read on each of these subjects and proved very beneficial.

Our director, Mr. E. R. Kroeger, lectured to us during the year on "The Principles of Opera", "The Opera from 1775-1850," "Wagner and the Opera" and "The Modern Opera". These lectures were unusually interesting and have given us a vast knowledge of the development of the Opera.

Our programs consisted of selections from "American Composers", "Women Composers", "Operas" and one miscellaneous program.

We had one initiation in January giving us an active membership of twenty-five. We are very proud of our nine new sisters—Lillian Hawley, Gladys Sieverling, Octavia Reder, Mildred Butterworth, Senta Goldberg, Lorle Knight, Alice Eliot, Kathleen Stonecipher and Florence Lewis.

Our first social affair was a party given by Julia Kroeger in her pretty and attractive studio. We were all very happy and very talkative, this being our first meeting after our summer vacation.

In October a reception was given to the Kroeger School of Music. This proved to be one of our most successful affairs. Mr. Kroeger showed his keen interest in the Sorority by giving us a few minutes of his valuable time and played some of his own compositions. Mrs. Bradford added to the program with several vocal selections.

The rooms were appropriately decorated in purple and white.

On February eleventh we were delightfully entertained with a Valentine Party given at the home of Alice Van Arsdale. The assisting hostesses were Elaine Shelton and Edna Kraemer. The re-

freshments as well as the decorations were carried out in Valentine colors.

A beautiful jonquil luncheon was given on March first at the home of our President, Edith Harsh, in honor of our new sisters.

In March we were entertained by Genevieve Landry with a very unique St. Patrick's Party. Our hostess provided so many clever games that the time for departure arrived all too soon.

On April twenty-ninth Edith Andrews gave a delightful Sewing Bee, and showed us the pictures she took while abroad. We had a jolly time in spite of the heavy downpour of rain.

Lulah Dipple gave her post-graduate recital on February thirteenth, which was enjoyed by a large and appreciative audience.

Theta boasts her first niece, the little daughter of Lucy Shanks Doyan and two new nephews, the sons of Samuella Young Oughton and Ora Bethune Johnson.

We feel that the past year has benefited us in many ways and we hope to accomplish even more in the future.

Letter from Iota Alpha

THE Iota Alpha Chapter, of Mu Phi Epsilon, held a meeting on January 16th, and as there were only three members in Chicago, they decided to pledge and initiate a few girls and try to get the chapter on a firm basis.

On the 12th of April Jean M. Rosa was initiated.

On the 18th of April Mrs. Cora E. Smith, Mrs. Jessie Waters Northrop and Miss Anna Burton, were initiated.

On the 25th of April the Misses Alice and Abigail Raymer were initiated.

After the initiation, a business meeting was held. Questions were discussed and those not answered were given to Helen Cann, who was chosen as the business delegate to the National Convention. It was decided to use Studio 33, at the college, as our chapter room.

On the 26th of April Miss Helen Kemler was initiated.

We expect to initiate about 10 young ladies this fall at our first meeting and hope to make great headway during the year.

We are going to work very hard this year and try to have a better report next year.

Our musical programme is made out for this year, and we expect to have some very pleasant times socially.

JEAN M. ROSA, *Recording Secretary.*

Miss Long, of Gamma Chapter, at Ann Arbor, Mich., was a guest at one of our meetings.

Letter from Kappa

KAPPA CHAPTER opened the season of 1910-1911 with an active membership of eleven.

At our first meeting, we pledged three new girls and planned a series of Studio Teas for the remainder of the year. This meeting was held at the home of Helen McMurray in Irvington.

At our social meetings, the girls were entertained with short musical programmes and selections from the different operas including "Tamnhäuser" and "Madame Butterfly."

On February seventh, Kappa Chapter entertained with a very pretty dance at the Odeon in honor of our new members. The Hall was decorated in college pennants and purple and white crepe paper, and was voted a decided success by all present.

This has been a very busy year for Kappa Chapter, and we all feel that we have done unusually well as our list of active members now numbers thirty-three, among whom are several of the representative musicians of the city.

Kappa Chapter is very glad to have had the honor of entertaining the National Convention.

Respectfully submitted,

Letter from Lambda

LAMBDA started the year 1910-11 with an enthusiastic active membership of eighteen. The first two months of the school year were taken up with rushing parties, teas, etc., and on October 8th a joint reception was given with the Sigma Alpha Iota Sorority to the new girls.

Later, our girls gave "The Cooking School" operetta, followed by a get acquainted party. In fact our rushing season was a very strenuous one.

At different times during the year twelve new members were admitted to our circle.

Our meetings have been held weekly, the last one in each month being a musical, each devoted to a different school, to which our friends were invited. One of our monthly musicals was a piano historical concert, given by Mr. H. B. Hilliard, Director of the Piano Department, and it was enjoyed by a most appreciative and enthusiastic audience.

At Christmas time the Conservatory moved into a new home where Lambda happily possesses a large chapter room on the third floor.

On the 18th of February we gave our annual banquet which was a most brilliant success and later, a dance which—well, we talk about it yet! We are planning to hold a Carnival with Sinfonia later in the year.

Mme. Schumann-Heink gave one of her most enjoyable concerts in Ithaca. Our girls went in a body. She most graciously received a company of us in her apartments during her stay in the city.

We feel as though our second year's existence has been a year of years and we have accomplished more than we had hoped to. Continuing with our present enthusiasm and vim, Lambda hopes to reach the goal set for her by the splendid ideals of Mu Phi Epsilon. We have a most excellent set of officers and harmony reigns among us. We are successful financially, being quite proud of our bank account.

In spite of the fact that eleven of our dear sisters graduate this year and probably leave the school, those remaining are good, "true blue",

Minnie Shay is very successful with an enormous class of piano pupils in Ithaca, N. Y.

Two of our girls, Lura Pickering and Mabelle New, with one year's Post-Graduate course are receiving Artist Diplomas this year.

Letter from Mu

MU CHAPTER, from down in "Dixie" sends love and greetings to all Mu Phi Epsilon sisters. This privilege of calling you sisters was granted to us on Feb. 6th, 1911, when Mu Chapter was installed at Brenau Conservatory by the Supreme President, Elfrida Langlois, of Detroit, Mich. In honor of this event a reception was given Feb. 4th, in the Japanese parlors and the doors were thrown open to welcome all the faculty and members of the other sororities. The Mu Phi Epsilon colors, royal purple and white, were carried out in every detail.

On Feb. 6th the Zeta Tau Alpha gave a dance to the Mu Phis, which was a most enjoyable event; on the same evening the Phi Mus also entertained at a reception, all of which goes to prove what a warm welcome Mu Phi Epsilon has received in the South.

Mu Chapter has eleven charter members, five new members and one pledge. Several of the musical faculty have become patrons.

On March the 15th, Mr. and Mrs. Sinnette entertained the girls in their bungalow.

A large number of our girls have appeared in public in Orpheus Society Programmes, and each one has brought her share of honor to Mu Phi Epsilon. Alice Rentz has already given her graduating recital in Piano, Cleo Carreker and Aileen Palmour give theirs in a short time. We are very proud of them and are sorry that their graduation means that we will not have them with us next year.

We have not been able to carry out a regular course of study, on account of our short existence. Only a few evenings have been devoted to study, but we hope to have a splendid outline of work for next year. Also many other things are being planned, which we hope will bring good results.

Mu Chapter, of Mu Phi Epsilon, has been invited to become a member of the local Pan Hellenic of Brenau Conservatory, and we feel this will bring us in closer contact with Sorority life.

Our greatest desire is that we may prosper next year as we have this.

Respectfully submitted,
SUDIE WILSON, *Historian.*

Like marigolds, toward the sunny side."

Letter from Nu Chapter

THE history of our chapter at this date is of necessity a short one for we were installed only two months ago.

We organized some time ago as the Upsilon Club, hoping to get a charter from Mu Phi Epsilon, and were successful owing to the recommendation of Mrs. Edna Prescott Datson, who was a member of the Gamma Chapter at Ann Arbor.

We were installed by Miss Elfrida Langlois, Supreme President, on March 3rd, 1911, and have since that time held regular meetings.

We are planning to have a sorority house next year, where girls who come to college with serious musical aims may find a congenial atmosphere for work. Such a house is a vital need in our institution, and we hope to make Nu Chapter of Mu Phi Epsilon, stand for something real in our University.

Our charter members are taken largely from teachers in the Music School, seven of them being members of the faculty. The rest are prominent students in the department.

Our patronesses are Mrs. Susie Fennel Pipes, head of the violin department in the Music School, and a very gifted and experienced musician, and Mrs. M. H. Douglas, a talented pianist and experienced musician.

EVE STINSON, *Historian.*

"I think,—am sure a sister's love exceeds
All the world's love in its unworldliness."

Letter from Xi

DEAR Mu Phi Sisters:

We regret very much that we could not send a delegate to Indianapolis. But the Haymakers are going to be represented next year, you may be sure.

The Xi Chapter was installed on the night of April 12th at the Elridge House. After the initiation, a banquet was held in honor of Blanche Brown and Dean Skilton. You will remember reading of the terrible tornado that visited Lawrence at that time. During the third course of our banquet, the roof was blown off the Elridge House, window panes were broken in, hail and rain dashed into the halls and parlors, dishes were broken, electric lights were extinguished —pandemonium reigned. Policemen were guarding the doors to prevent people from rushing into the street where live wires were lying about. But thanks to the Dean, order was soon restored, and after a half hour or so, we returned to our spread, finishing it by candle light. Don't you think our initiation stunt was rather unique?

The following evening we entertained the musical faculty for Miss Brown who by that time had completely captivated all of us. We only wish she could have stayed in Lawrence longer, but the next morning at 8:12 we had to say good-bye at the Santa Fe station.

Since our installation we have been very busy, having pledged seventeen members! Yes, I know we are starting out with a goodly number, but five of the girls are seniors and will not be back, so we wanted to be sure of enough good workers for next year. We took in these seniors merely as a matter of appreciation of their good work and the graduation recitals they are to give this spring. Then, six of our seventeen are members of the faculty; every one of them is not only an excellent instructor, but makes a specialty of public work, also. They have shown great interest in our plans from the first and will help us greatly. We are planning to have our initiation in two weeks as Mrs. Lyons, one of the faculty, leaves for a tour of the Pacific coast soon after.

We have high ideals, and are going to help keep up the standard

of Mu Phi. We hope soon to be doing such reputable work that every other chapter can feel proud of her Kansas sisters.

With love and best wishes for an enjoyable and successful convention,

ESTHER SHAW, *Historian.*

Personal Notes

Dean Skilton has set to music the verse which Harry Kemp, the Kansas "tramp poet", wrote for Xi Chapter.

Blanch Lyons, a pledge, in touring with "Ohlmeyer's Coronado Band", for nine weeks.

Creola Ford, and Ethel Hess, who gave such brilliant recitals, will be back next year for their Master's degrees.

Mabel Popenoe will visit in Canada and New York during July, and Harriet Griessinger will spend the summer in California; Esther Shaw and her mother leave in the fall for Los Angeles, where they will make their home.

Lyla Edgerton, who, with Clara Hase, gave a very successful piano recital this spring, is planning to continue her work in the New England Conservatory of Music.

Xi Chapter is very glad to announce the engagement of one of its new members, Ruth Swisher, to Frank Wells, a Senior K. U. Journalist.

We were most fortunate in securing as a pledge, Madame Norelli, when she was in Lawrence at the time of our music festival.

Josephine McCammon will give her recital in the early winter, after which she will leave for New York, where she will pursue her voice work.

Cora Reynolds, first soprano in the Congregational Church, assisted in several recitals this spring.

"Upon the threshold of the Infinite
Stand Art and Song—but Music's flight is far,
Where, in their golden mansions, beaming, sit,
Through all God's glorious reaches, star on star!"
—Harry Kemp.

Some Sorority Ideals

SCHUMANN said, "Nothing can be accomplished in music without enthusiasm." This may sound trite, but let us remember that sometimes the "enthusiast" sees more clearly than the common-place man of sense. The march forward of our sorority depends upon those who,

"In spite of the stare of the wise and the world's derision,
Dare follow the star-blazed road, dare follow the vision."

Let us consider a few ideals which every chapter of Mu Phi Epsilon may realize if she but will.

First, of course, comes the work among our own members. We must incite them to do their best, to raise the standard of scholarship and of character if we would obtain the highest success and greatest influence. Sororities should be judged not by their wealth or age or numbers, but by the results which they work out in the lives of their individual members.

Then, we should co-operate with one another in the study and elimination of the too prevalent waste of lives during the College and Conservatory courses. We chapters in the large Universities, especially, should make a systematic attempt to minimize or prevent the evils of being extravagant, dilatory, unpunctual, neglectful of details, inaccurate. Many girls spend the three or four years of their course in acquiring habits that they must unlearn before they can become successful and influential women. The Honorary Sorority, being the undergraduates' aim and ideal, their hope for true individualism, the fount of culture and high scholarship, is in an especially strong position to help lessen these evils. These problems are of educational and vital importance, and we can do a really great work if we but go at it in the right spirit. As you know, in many localities the charge of aristocracy and narrowness is often made against sororities. May it never be said of a Mu Phi chapter that a bigoted, "secret-society", clique spirit prevails! Let us be *democratic*, and *Christian*, as well as "aristocratic"!

We should all be ambitious to have our own chapter-house. Aside from the prestige it affords, the managing of a house gives the members both a sense of responsibility, and business experience. The dis-

cipline acquired in adjusting your temper to that of the other members of the common household is valuable, and the occasional social functions with the opportunity to play hostess give a social finish and assurance greatly to be desired.

I have often wondered why Mu Phi Epsilon has no scholarship fund or annual prize to be awarded for the best composition submitted by any chapter. Other fraternities have done much good in this way, and I am sure it would be an incentive to greater effort and better work.

Above all, let us remember our open motto, "Seeketh not her own." Let no littleness mar our greatness, but let a spirit of harmony dominate our work. May each one of us be surcharged with a zeal to make this the best year Mu Phi Epsilon has yet known!

ESTHER GERALDINE SHAW,
Xi Chapter, Kansas University.

And we'll not fail."

WHAT ARTISTS SAY OF

The Mason & Hamlin Piano

I have used in my concert work pianos of all shapes and sizes, but when I came to spend my own money for a piano for my own private use, I bought a Mason & Hamlin. That tells the tale. —DANIEL BEDDOE

The Mason & Hamlin Piano I have been using for the past year is an exceedingly beautiful instrument. By this I mean that the Mason & Hamlin of today *has no peer.* —CLAUD CUNNINGHAM

Every singer should feel grateful for the truly remarkable singing and sustaining tone you so ably secure in your instruments. Never until I knew the Mason & Hamlin did I find a piano that satisfied me. Yours does so perfectly. —CORINNE RIDER-KELSEY

I have had a Mason & Hamlin in my home for more than eight years, and I am more and more impressed with the beautiful tone quality of the instrument, that singing quality that appeals to all singers, its perfect tone that blends with the voice so beautifully. —JANET SPENCER

The instruments fulfill *every imaginable requirement* and are the most superbly beautiful instruments that I know. —HAROLD BAUER

I have never before been so completely satisfied with any piano at my public concerts or in my private use as with the Mason & Hamlin.
—OSSIP GABRILOWITSCH

Their tone is broad and big, resonant, vigorous and manly, yet full of sympathy. The artist *must* feel a sense of gratitude to you for making possible the means of expressing his feelings. —ARTHUR NIKISCH

The even beauty of the entire scale from finest pianissimo to greatest fortissimo enables me to translate the orchestral score, which I interpret in my lecture recitals, with a close appreciation of the composers' requirements.
—WALTER DAMROSCH

The Baldwin Piano

The Many Moods in Music

insure to more people happy, self-forgetting recreation than any other form of entertainment.

Endowed with a tone of infinite variety and imaginative charm, the pleasure of a great and soothing art is trebled by the Baldwin Piano.

Here is that vibrant *mass* of tone ready for the musician's stormier impulses; here, too, the subtler fascination of beautifully-colored harmonies;—all things to all natures!

If you have been among the thousands to hear the Baldwin under the singing touch of de Pachmann or Pugno its high artistic qualities are known to you. Only unusual forces commanded by a great organization such as The Baldwin Company could *develop* such qualities.

By any equally able economic policy it is practicable for you to know the Baldwin, though you may live far from the centers where its triumphs have been won. We would be pleased to have you see and hear the Baldwin Piano at our store.

Brenau College Conservatory
GAINESVILLE, GA.

THE AUDITORIUM

This is one of the most beautiful concert halls in the South and is the scene of many brilliant entertainments during the summer school. All of the Chautauqua events, except such as occur in Brenau Park take place in the Auditorium.

The accompanying cut gives but an imperfect idea of this really remarkable audience room. It seats more than twelve hundred people comfortably and has all of the accessories, stage equipment, etc., of a modern theatre.

This hall also contains the new pipe organ, which is indistinctly seen in the picture on both sides of the stage. The three manual console is in the orchestra pit below.

Summer School begins June 14th
